Marathon, FL 33050

January 6, 2017

Dear Council Members,

We are seeking permission and assistance from the Marathon City Council for our annual dragon boat racing event at Sombrero Beach on Saturday, May 20, 2017.

High Five Dragon Boat is working closely with the City Departments as well as the Chamber of Commerce to continue this wonderful event in Marathon. The Battle in the Bay is a very special event to the dragon boat community, and we are doing everything in our ability to make it just as successful as in the past, and then some!

As part of our special event request we are seeking an exception to the Sombrero Beach vending ordinance to allow food and beverage (not including beer and wine) and merchandise sales for the daylong regatta. Having vendors add to the festive atmosphere, provides spectator retention, and is a source of food and beverages for the race teams.

Thank you, in advance, for your consideration.

Joe Sinkovic
