## Memorandum

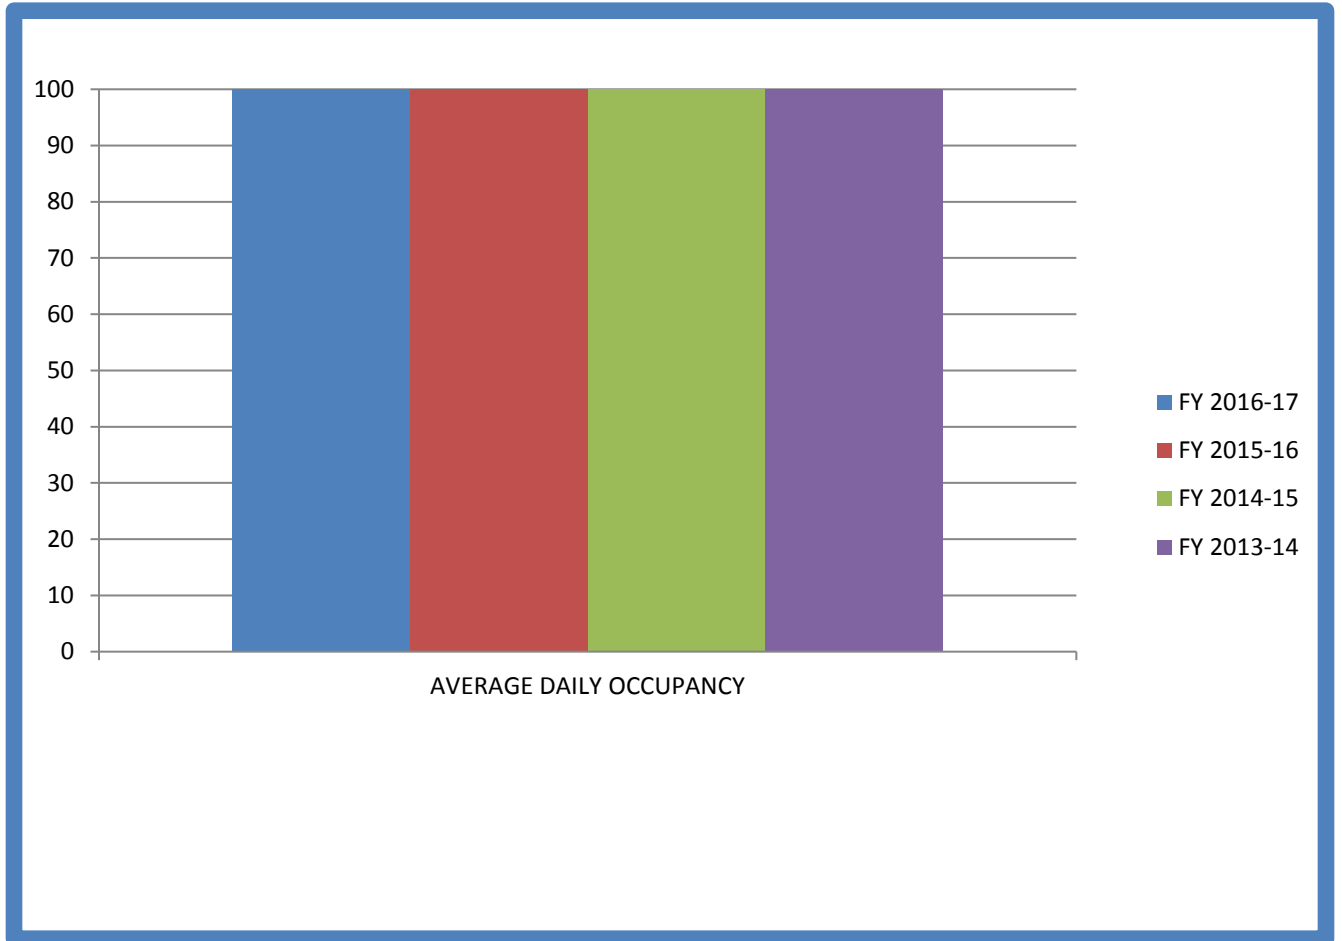

**To:** Chuck Lindsey, City Manager  
**From:** Sean Cannon, Ports Director  
**Date:** February 8, 2017  
**Re:** January Monthly Report

Revenue: City Marina saw \$103,899 in total revenue the month of January.

Occupancy: January's average daily occupancy was 100%.

**TOTAL TRANSIENT ARRIVALS**

**\*IN-STATE VESSELS: 34**

**\*OUT-OF-STATE VESSELS: 47**

**\*FOREIGN VESSELS: 8**

**Derelict Vessels:** A 27 foot sailboat, FL3187PB, was tagged in Boot Key Harbor this month and was brought into compliance by the owner.

**News:** The Nautical Obstruction Salvage Experts' monthly marine debris cleanup was successful in removing hundreds of pounds of debris again this month, including 3 sunken dinghies. The first place winner was Larry Baker for the second month in a row, and the runner-up was Lawrence Shoquist. The mooring field inspection was completed this month, and there were no complete system failures. Staff made repairs as necessary and there was minimal disruption to the moored customers. The upgraded test moorings are holding up well so far, and staff intends to replace 25 mooring systems this summer with the new style moorings. January closed with 42 boats on the waiting list.

**Projects:** The 19 tie-up pilings along the seawall were replaced this month (see photos below), and staff has rebuilt / overhauled many spare parts for the pumpout program to anticipate the larger volume of people and wear on the equipment.
