11TH ANNUAL FAMILY FUN FEST ENTERTAINS HUNDREDS OF FAMILIES

On Saturday, January 27th, there were hundreds of kids and their parents enjoying the 11th "Family Fun Fest" held on the soccer fields at Community Park. Everything was FREE. There were 54 vendor booths as well as the entertainment on the amphitheater stage. Opening the festive event with a Color guard were the Cub Scouts

from Pack 901 (with Pack Leaders Frank Westerbend and Mark Senmartin) and Boy Scouts from Troop 901 (with Scout Master Jeff Tipsword). Immediately following the presentation of the flag were patriotic songs performed by the Switlik Singers under the direction of Jack Loudon. Several other students performed a variety of songs. A crowd of nearly 1000 was entertained by a dance,

Gymnastics and cheerleading program of Body Language Studio. Another fabulous program followed with spectacular dancing by the Jessica Richard Dancers from Big Pine. Freeze Dance contests topped off the stage performances. Check out a video of the event produced by TV-88 and send it to your friends.
