

FINAL PUBLIC NOTICE

The Federal Emergency Management Agency (FEMA) has received the subgrant application for City of Marathon's Coco Plumb Beach repairs due to damages in Hurricane Irma (DR-4337-FL PW 06502). Pursuant to Executive Order 11988 and 44 CFR Part 9.12, final notice is hereby given of FEMA's intent to provide funding for this project under the Public Assistance (PA) Program.

An initial disaster-wide Public Notice was published October 6, 2017 for Hurricane Irma. Comments and other information received were fully evaluated by FEMA along with evaluation of social, economic, environmental, and safety considerations. This notice serves as a project-specific final notice for FEMA's funding action located within the floodplain.

Funding for the proposed project will be conditional upon compliance with all applicable federal, tribal, state and local laws, regulations, floodplain standards, permit requirements and conditions. This action complies with the National Flood Insurance Program (NFIP) requirements.

- Responsible Entity:** FEMA Public Assistance (PA) Program
- Applicant:** City of Marathon
- Project Title(s):** PA-04-FL-4337-PW-06502; 14862 - City of Marathon Various Park Location Damages
- Location of Proposed Work:** GPS Coordinates: (24.73046, -81.00179); Site 5 – Damage # 22873
- Floodplain:** Project is located in the AE Zone, otherwise known as the area of 100-yr flooding, and the VE Zone, otherwise known as the Coastal High Hazard Area, per Monroe County FIRM Panel #12087C1382 K dated 02/18/2005.
- Proposed Work and Purpose:** The City of Marathon will repair damages at Coco Plumb Beach that resulted from Hurricane Irma. Repairs will include replacing signage, landscaping elements, sandy soil, parking stops, and a compost toilet facility. The city is responsible for obtaining any necessary permits for the work and for confirming compliance with permit conditions.
- Project Alternatives:** FEMA has considered the no-action alternative and has found that it would not be feasible as the area will remain vulnerable to further property damage and hazards to human life and safety. The no-action alternative would potentially have adverse social, economic, and public safety impacts within the community. Alternate locations were not considered as the damaged elements are part of a larger facility and relocating it entirely would not be practicable. The facility also provides open space uses for recreation and habitat for wildlife.
- Comments:** This will serve as the final public notice regarding the above-described action funded by the FEMA PA program. Interested persons may submit comments, questions, or request a map of this specific project by writing to the Federal Emergency Management Agency, Region 4, 3005 Chamblee-Tucker Road, Atlanta, Georgia 30341, or by emailing FEMA-R4EHP@fema.dhs.gov. Comments should be sent in writing with the subject line FL-4337-PW-06502, City of Marathon at the above address within 15 days of the date of this notice.

FINAL PUBLIC NOTICE

The Federal Emergency Management Agency (FEMA) has received the subgrant application for City of Marathon's community park repairs due to damages in Hurricane Irma (DR-4337-FL PW 06502). Pursuant to Executive Order 11988 and 44 CFR Part 9.12, final notice is hereby given of FEMA's intent to provide funding for this project under the Public Assistance (PA) Program.

An initial disaster-wide Public Notice was published October 6, 2017 for Hurricane Irma. Comments and other information received were fully evaluated by FEMA along with evaluation of social, economic, environmental, and safety considerations. This notice serves as a project-specific final notice for FEMA's funding action located within the floodplain.

Funding for the proposed project will be conditional upon compliance with all applicable federal, tribal, state and local laws, regulations, floodplain standards, permit requirements and conditions. This action complies with the National Flood Insurance Program (NFIP) requirements.

- Responsible Entity:** FEMA Public Assistance (PA) Program
- Applicant:** City of Marathon
- Project Title(s):** PA-04-FL-4337-PW-06502; 14862 - City of Marathon Various Park Location Damages
- Location of Proposed Work:** GPS Coordinates: (24.712549, -81.088935); Site 6 – Damage # 22874
- Floodplain:** Project is located in the AE Zone, otherwise known as area of 100-yr flooding, per Monroe County FIRM Panel #12087C1379 K dated 02/18/2005.
- Proposed Work and Purpose:** The City of Marathon will repair multiple elements at a community park following Hurricane Irma. Repairs will include repairing or replacing signs, landscaping elements, electrical components, security cameras, utilities, canopies, athletic fields, recreational facilities, and an embankment. The City has a hazard mitigation proposal to construct an elevated pad for utilities including irrigation controls and a pump system. The City is responsible for obtaining any necessary permits for the work and for confirming compliance with permit conditions.
- Project Alternatives:** FEMA has considered the no-action alternative and has found that it would not be feasible as the area will remain vulnerable to flood risk, including property damage and hazards to human life and safety. The no-action alternative would potentially have adverse social, economic, and public safety impacts within the community. Alternate locations were not considered as the damaged elements are part of a larger facility and relocating it entirely would not be practicable. The facility also provides open space uses for recreation.
- Comments:** This will serve as the final public notice regarding the above-described action funded by the FEMA PA program. Interested persons may submit comments, questions, or request a map of this specific project by writing to the Federal Emergency Management Agency, Region 4, 3005 Chamblee-Tucker Road, Atlanta, Georgia 30341, or by emailing FEMA-R4EHP@fema.dhs.gov. Comments should be sent in writing with the subject line FL-4337-PW-06502, City of Marathon at the above address within 15 days of the date of this notice.

FINAL PUBLIC NOTICE

The Federal Emergency Management Agency (FEMA) has received the subgrant application for City of Marathon's Oceanfront Park repairs due to damages in Hurricane Irma (DR-4337-FL PW 06502). Pursuant to Executive Order 11988 and 44 CFR Part 9.12, final notice is hereby given of FEMA's intent to provide funding for this project under the Public Assistance (PA) Program.

An initial disaster-wide Public Notice was published October 6, 2017 for Hurricane Irma. Comments and other information received were fully evaluated by FEMA along with evaluation of social, economic, environmental, and safety considerations. This notice serves as a project-specific final notice for FEMA's funding action located within the floodplain.

Funding for the proposed project will be conditional upon compliance with all applicable federal, tribal, state and local laws, regulations, floodplain standards, permit requirements and conditions. This action complies with the National Flood Insurance Program (NFIP) requirements.

- Responsible Entity:** FEMA Public Assistance (PA) Program
- Applicant:** City of Marathon
- Project Title(s):** PA-04-FL-4337-PW-06502; 14862 - City of Marathon Various Park Location Damages
- Location of Proposed Work:** GPS Coordinates: (24.72525, -81.04438); Site 4 – Damage # 22872
- Floodplain:** Project is located in the AE Zone, otherwise known as the area of 100-yr flooding, and the VE Zone, otherwise known as the Coastal High Hazard Area, per Monroe County FIRM Panel #12087C1381 K dated 02/18/2005.
- Proposed Work and Purpose:** The City of Marathon will repair Oceanfront Park to restore it back to its pre-disaster conditions. Repairs will be made to the park's restrooms, tiki huts, landscaping elements, signage, exercise tracks, and the waterfront fishing deck. The city is responsible for obtaining any necessary permits for the work and for confirming compliance with permit conditions.
- Project Alternatives:** FEMA has considered the no-action alternative and has found that it would not be feasible as the area will remain vulnerable to further property damage and hazards to human life and safety. The no-action alternative would potentially have adverse social, economic, and public safety impacts within the community. Alternate locations were not considered as the damaged elements are part of a larger facility and relocating the facility would not be practicable. In addition, some elements within the park are functionally dependent upon its location within the floodplain. The facility also provides open space uses for recreation.
- Comments:** This will serve as the final public notice regarding the above-described action funded by the FEMA PA program. Interested persons may submit comments, questions, or request a map of this specific project by writing to the Federal Emergency Management Agency, Region 4, 3005 Chamblee-Tucker Road, Atlanta, Georgia 30341, or by emailing FEMA-R4EHP@fema.dhs.gov. Comments should be sent in writing with the subject line FL-4337-PW-06502, City of Marathon at the above address within 15 days of the date of this notice.
