CITY OF MARATHON, FLORIDA
RESOLUTION 2026-62

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MARATHON, FLORIDA, AUTHORIZING THE SUBMISSION OF A GRANT APPLICATION TO THE DEPARTMENT OF ENVIRONMENTAL PROTECTION'S CLEAN VESSEL ACT GRANT PROGRAM FOR THE PURCHASE OF A NEW PUMPOUT BOAT; AND PROVIDING FOR AN EFFECTIVE DATE

WHEREAS, the City of Marathon intends to enter into the Department of Environmental Protection Clean Vessel Act Grant Program to receive $164,184.38 to apply towards the purchase of a new pump out boat; and

WHEREAS, the City of Marathon needs a replacement boat for one of the two vessels utilized for the City Marina pump out program; and

WHEREAS, the City of Marathon continues to provide pump out service to the customers of the marina and other vessels requesting pump outs in Boot Key Harbor; and

WHEREAS, grant funding would allow the pump out program to continue to provide low-cost pump outs to the boating public.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF MARATHON, FLORIDA, THAT:

Section 1. The above recitals are true and correct and incorporated herein.

Section 2. The City Council hereby authorizes the submission of a grant application to the Department of Environmental Protection's Clean Vessel Act Grant Program for funding for the purchase of a new City pump out vessel and authorizes the appropriate City officials to execute the application on behalf of the City.

Section 3. This resolution shall take effect immediately upon its adoption.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF MARATHON, FLORIDA, THIS 14th DAY OF JULY, 2026.

THE CITY OF MARATHON, FLORIDA

Mayor Lynny Del Gaizo

Clean Vessel Act Grant Application & Instructions

Keep Florida's Water Clean

A CVA Grant can be used to reimburse 75% of your cost expenditure in the following categories:

Permits	Operations of pumpout equipment
Site preparation	Maintenance and repairs
Renovation	Sewage hauling
Equipment purchase	Pumpout signage
Equipment installation	Educational materials

Before applying for a CVA grant, please note that:

1. Federal marina facilities are not eligible to receive CVA funds.
2. Facilities must provide public access to the pumpout equipment and allow public usage.
3. Fees for using the pumpout equipment cannot exceed the allowable federal maximum per pumpout set by [illegible], for the life of the equipment. Any fees collected should be used to defray the cost of operations, maintenance and repair of the pumpout equipment, and the facility must be displayed in the [illegible] app for the public to easily find it and use it.
4. If applying for equipment, the Quarterly Pumpout Log must be submitted for five (5) years following the agreement end date.
5. Facilities must display a pumpout operational accreditation sign in a visible location on or adjacent to the pumpout system and one international pumpout symbol sign visible from the waterway. See Signage Requirements, Code of Federal Regulations
6. Any federal grant that involves a Federal financial assistance program for "infrastructure," requires that all manufactured products used in the project (including all iron and steel) be "produced" in the United States, and that all construction materials used in the project be "manufactured" in the United States. Source: BABA Memo.
7. Grant-funded work **cannot** start before an agreement is in place.

A complete CVA application consists of: 1] Filled-out application
2] Copy of the supporting documents and registrations, which include:

Business registration

Private businesses must be registered with the State of Florida, Division of Corporations/Sunbiz. If your facility has not yet registered, please register at DOS.MyFlorida.com/Sunbiz.

Vendor registration

All applicants must register with the State of Florida Department of Management Services, MyFloridaMarketPlace vendor system. If your facility is not a registered vendor, please register at Vendor.MyFloridaMarketplace.com.

W-9 Form and Substitute W-9

Submit a copy of the W-9 form and file the facility's substitute W-9 with MyFloridaMarketPlace. If the facility has not yet filed its substitute W-9, please file it at Florida's Chief Financial Officer website.

Insurance

All facilities must be insured by carriers licensed in or eligible to do business in Florida and must maintain applicable commercial general liability, automobile liability, and workers' compensation coverage in accordance with Florida law and paragraph 8 to Attachment 2, Special Terms and Conditions. A current Certificate of Insurance (COI) must be submitted with the grant application and maintained throughout the grant period. The Florida Department of Environmental Protection must be listed as both an Additional Insured and the Certificate Holder. For more details visit our website.

If the applicant is a Florida governmental entity that is self-funded for liability insurance, then the applicant must provide in writing, on official letterhead, from the applicant's chief financial officer a statement confirming the governmental entity as self-insured.

Engineering plans or drawing of proposed project site

Provide a drawing of your project with the proposed pumpout equipment, stanchions/connections and sewer connections marked. It can be an aerial photo or drawing from your survey. Use Google Earth if needed.

Vendor quotes

Applicants must submit two (2) written quotes from two (2) different vendors for any equipment or service costs that exceed $2,500. The lowest quote should be chosen, and all quotes should be submitted with the application package.

Federal Funding Accountability and Transparency Act (FFATA) Form

If 75% of the total project cost is $30,000 or more, please complete the FFATA form. To complete this form, your facility will need a unique entity ID (UEI) number; if your facility does not yet have one, you can register at SAM.gov.

Phone Number: 305-289-5036 Email Address: naod@ci.marathon.fl.us

Is the contact person: ☐ Consultant ☐ Contractor ☒ Facility Employee ☐ Other

Facility Owner Information

Name: City of Marathon Title:

Address: 9805 Overseas Hwy.

City: Marathon State: FL ZIP Code: 33050

Phone Number: 305-289-0033 Email Address: cityofmarathon@ci.marathon.fl.us

Is the facility owned/operated by a self-insured governmental entity (state, county or city)? ◉ Yes ○ No

Marina Boating Facility Information

Facility Type (check all that apply): ☒ Marina ☐ Boatyard ☐ Yacht/Boat Club ☒ Pumpout Business ☐ Dockominium ☐ Boat Ramp ☒ Mooring Fields

Name of the common/local waterbody where the facility is located: Boot Key Harbor

Facility Access:

■ Existing Marina Facility ☐ Facility currently under construction ☐ Proposed Marina Facility (not under construction)

Total number of slips at the facility? Wet: 14 Dry: 0 Mooring: 226

Of the total number, how many are: Open to the public: 240 Dedicated to one owner?

Does the facility allow public access to docking and marina services? ● Yes ○ No

Does the facility have live-aboards? ● Yes ○ No If yes, approximately how many? 68

Does the facility have houseboats? ○ Yes ● No If yes, approximately how many?

How many slips are available for: Vessel under 26' 14 Vessels 26' to 40' 14 Vessels over 40' 14

Facility's Current Pumpout Information

Does the facility currently have pumpout equipment? ● Yes ○ No

If yes, please describe the current equipment:

☐ Stationary Pumpout ■ Pumpout Vessel ■ Lift Station

☐ Portable Pumpout Unit ■ Dump Station/ Portable Toilet Dump ■ Holding Tank

Is the pumpout equipment currently operational? ● Yes ○ No

Will the proposed pumpout project replace the current equipment? ○ Yes ● No

Are permits required for the proposed project? ○ Yes ● No

Will the proposed pumpout project be in addition to the current equipment? ● Yes ○ No

Was the current equipment purchased through a past CVA grant? ● Yes ○ No

If yes, what was the agreement number? 21-026

Proposed Pumpout Project Information

Type of pumpout equipment requesting (check all that apply):

☐ Stationary Pumpout ■ Pumpout Vessel ■ Lift Station ■ Pumpout Service

☐ Portable Pumpout Unit ■ Dump Station/ Portable Toilet Dump ■ Holding Tank

Where on the premises will the pumpout/dumpout be located? ■ On dock ☐ On land

Number of pumpout connections to be installed through this project?

Will there be connections available to all slips? ○ Yes ○ No

How many new connections will be available to the public?

Disposal method for pumpout/dumpout/boat sewage?

Note: On-site septic tanks are not authorized (Section 381.0065, F.S.)

- [x] Directly to a permitted wastewater treatment facility (sewer) Domestic Wastewater Collection Permit #: 277618
- [ ] Directly to an on-site sewage treatment system
- [ ] Into holding tank, then transported to permitted wastewater treatment facility

Describe your hours of operation for pumpout/dumpout services? Mon-Fri 8am-4pm

If funded, how many pumpouts/dumpouts are expected each week? 100

Pumpout fees requested (maximum allowed 50 CFR §85.44): $5.00

Anticipated project timeline:

Project Location:

Project Location Coordinates (in decimal degrees): Latitude: °

Longitude: °

Proposed project scope of work. Utilizing your design plans and permitting requirements, briefly summarize the proposed pumpout project and how grant funds will be used to complete the project:

Purchase of a new flat bottom deck pumpout boat with the following custom features:
Custom Engineered 26' - All Composite Construction (no wood)
Anti-Fouling Bottom Paint
Center Console with Pilot House and Removable Curtains
Inset Motor Well for Improved Mobility and Safety
Custom 6" Proprietary Fender System
Custom Crafted 1½" Heavy Working Safety Rail System with 4 Entries
Custom Crafted "Tee" Deck Cleats - 6 each
Custom Deck Hardware
182 Cubic Feet of Below Deck Storage
Hydraulic Steering
1,500 GPM Automatic/Manual Bilge Pump System
3.8 GPM Water Wash Down System with 25' Hose
Navigation Lights
12 Volt Accessory Plug
45-Gallon Aluminum Fuel Tank
Digital Depth Finder
Fused Electrical Switch Panel
Compass
Heavy Duty Battery Switch
Heavy Duty Marine Battery
115 HP Yamaha 4-Stroke Outboard Motor (other motor options available upon request)
Below Deck 1,000-Gallon Heavy-Duty Fiberglass Reinforced Waste Tank
Waste Pump Powered by Gas or Electric motor
Custom Fiberglass Pump Cover
Waste Tank Overfill Alarm and Warning Light
50ft' of 1½" Suction hose
Waste Pump Fittings and Accessories
Vessel Signage with the Marina Name and Contact Information
USCG Required Safety Package
Dock Lines and Anchor Rope
4 Hours of Onsite Training

For Example: ABC Marina plans to install one (1) stationary pumpout to service resident and visiting boats. The pumpout will be installed on the dock with 150' piping and 20 connections to service each boat slip. The proposed pumpout equipment will be purchased and installed by contractors. The plumbing and electrical wiring will be installed by local contractors. We plan to purchase and install the signs ourselves utilizing marina staff time. ABC also would like to apply for funds to operate and maintain the equipment once installed.

Estimated Project Budget

Tasks	Category	Total Amount	75% grant (Automatically calculated)	25% match (Automatically calculated)
Permits	**Miscellaneous Expenses**		$ 0.00	$ 0.00
Site Preparation	**Contractual Services**		$ 0.00	$ 0.00
	Salaries		$ 0.00	$ 0.00
Renovation	**Contractual Services**		$ 0.00	$ 0.00
	Salaries		$ 0.00	$ 0.00
Equipment Purchase	**Equipment**	$ 218,912.50	$ 164,184.38	$ 54,728.12
	Supplies		$ 0.00	$ 0.00
Equipment Installation	**Contractual Services**		$ 0.00	$ 0.00
	Salaries		$ 0.00	$ 0.00
Operations of Equipment	**Contractual Services**		$ 0.00	$ 0.00
	Salaries		$ 0.00	$ 0.00
Maintenance and Repair	**Contractual Services**		$ 0.00	$ 0.00
	Supplies		$ 0.00	$ 0.00
	Salaries		$ 0.00	$ 0.00
Sewage Hauling	**Contractual Services**		$ 0.00	$ 0.00
Pumpout Signage	**Miscellaneous Expenses**		$ 0.00	$ 0.00
	Salaries		$ 0.00	$ 0.00
Education and Instructional Materials	**Miscellaneous Expenses**		$ 0.00	$ 0.00
	Total:	$ 218,912.50	$ 164,184.38	$ 54,728.12

Hourly Rate of Pay for Grant Reimbursement

Visit the DEP website for detailed instructions on how to complete this hourly rate of pay for grant reimbursement table. (Please skip this chart if the proposed project budget does not include in-house labor or salary costs).

Note: The facility should include estimated hourly rate of pay for all in-house labor costs when calculating any salaried task. Only the direct hourly rate of pay for the facility's employees are reimbursable. The facility shall not be reimbursed for wage multipliers (i.e., fringe benefits, overhead, indirect and/or general and administrative rates). To request reimbursement for the hourly rate of pay, the costs shall be itemized by employee position, the hourly rate of pay, and the associated activity using the table below. At its discretion, DEP may request additional supporting documentation.

Position Title	Rate/Hour	# Hours	Total Salary (Automatically Calculated)
Example: Operations Worker	**$12.00**	**150**	**$1,800.00**
			$ 0.00
			$ 0.00
			$ 0.00
			$ 0.00
			$ 0.00
			$ 0.00

Program Interest and Outreach:

How did you learn about the CVA Grant Program?

☐ DEP Workshop	■ DEP Website	☐ DEP Staff
☐ Radio/TV Ad	☐ Another Marina Owner/Operator	☐ Vendor

If you would like to receive Clean Boating educational materials to share with your community, please select the desired option:

☐ CVA Fact Cards ☐ Clean Boater Habits ☐ Boater Pledge Cards ☐ Stickers ☐ Children/Youth Boater activity (Officer Snook) book

Submission Authorization:

The undersigned certifies that:

1. This application is, in all respects, fair and submitted in good faith without collusion or fraud;
2. If selected through this application process, the recipient will work in good faith and in partnership with the Department of Environmental Protection to manage its subcontractors in a timely and accurate manner;
3. Any funds awarded as a result of this application process will not be used as matching funds for other grants;
4. The undersigned has full authority to legally bind the applicant.

As an authorized agent for the above entity, I verify that this facility is in regulatory compliance with the Florida DEP and all local, state, and federal permits and approvals applicable to the project specified in this application.

Name: Danielle Na-o Title: Administrative Assistant
