The marina, located at 1090 Overseas Highway near the east end of the Seven-Mile Bridge, is anticipated to open around Nov. 1, according to city Ports Director Sean Cannon.

The remaining slips, which cost $35 per foot of vessel, will be given out on a first-come, first-served basis.

The city's goal is to ensure small-business owners get an opportunity to secure a spot; therefore, slips cannot be resold or sublet. There will be one slip per person/agency.

Additionally, the city requests insurance, income verification, background check, and appropriate licenses.

The marina offers cleaning tables and water, and electricity will be available at a later date.
