‘Raiders of the Lost Ark’ next up in Movies Under the Stars series

MARATHON, FL (Nov. 18, 2026) – It’s that time of year again where the days grow shorter, the nights are a little cooler, and the bugs aren’t nearly as bad – perfect for the city’s “Movies Under the Stars” series at Marathon Community Park Amphitheater.

The free Saturday night series started Nov. 7 and continues this Saturday, Nov. 21, with the classic "Raiders of the Lost Ark," starring Harrison Ford.

The series will pause for the Thanksgiving holiday weekend but will return Dec. 5 with the first of three Christmas holiday-themed films, "Fred Claus," starring Vince Vaughn.
