Marathon sets record for Nov. 18 rainfall

MARATHON, FL (Nov. 19, 2026) – Records are meant to be broken, and Mother Nature did exactly that in Marathon on Wednesday, Nov. 18, dropping a record-breaking 2.37 inches of rain on the heart of the Florida Keys.

The previous daily rainfall record for Marathon, according to the National Weather Service in Key West, was 2.35 inches, set in 1992.
