City of Marathon Florida	**Press Release (#118-26)** | **CITY OF MARATHON** 9805 Overseas Highway Marathon, Florida 33050 305-743-0033

For Immediate Release:

Wastewater rates to increase on Oct. 1

MARATHON, FL (Sept. 30, 2026) – Effective Oct. 1, 2026, customers receiving wastewater service from the City of Marathon will see a 7% increase in the city sewer's base facility, customer and flow charges.

The increase was approved by Resolution 2024-65, which allowed for a 7% increase in fiscal years 2025-27 and a 1% increase in FY 2028.

Customers currently paying $30.74 in base facility charges will pay $32.89 starting in October. The customer charge will increase from $19.23 to $20.58, and the flow charge (per 1,000 gallons) will rise from $10.89 to $11.65.

The Florida Keys Aqueduct Authority provides third-party billing services for the city by including the city's sewer charges on applicable FKAA bills. Sewer rates are established by the City of Marathon and are separate from FKAA's water rates, which will increase 8.4% on Oct. 1.

For information on the city's wastewater rates, contact Deputy Utilities Director Libby Frazier at 305-289-5005.

For information on FKAA's water rates, visit https://ewww.fkaa.com.
