BENEVOLENT FIREFIGHTER SERVICES

Benevolent recruitment – The Department continues to support recruitment of additional personnel coordinated through the Marathon Fire Rescue Benevolent Association. The Benevolent has been developing a new training program to create a career path for our residents who are interested in pursuing a career in the Fire/EMS service.

INFORMATION –

The department has started a new program with Marathon High School / School Board a fire recruit program where the students report to the station 1st and 2nd period (juniors and seniors) which will allow them to start the process of becoming a Firefighter / Paramedic and serve their community. When the students graduate they will come away from this program with an national certification in emergency Medical Response and Florida certification as a firefighter 1. The first class started with 12 students and we are looking forward to providing our local students with an additional opportunity to forward their education.

The department will also be going through the process of hiring 3 new firefighters to serve the City. The process consist of physical ability exam, practical exam both fire and ems, and a swimming test. We hope to provide the citizens with the highest level of service possible.
