BENEVOLENT FIREFIGHTER SERVICES

Benevolent recruitment – The Department continues to support recruitment of additional personnel coordinated through the Marathon Fire Rescue Benevolent Association. Over the last 6 months the benevolent has been active as possible. They have a new slate of officers and are developing plans for the upcoming year. They have been tasked with a plan for this holiday season.

INFORMATION –

The Marathon High School/School Board Fire Recruit Program was started for the second year. The program is being held back at the Fire Station on an A-B schedule. It has been received by the school and Department with great enthusiasm. When the students graduate, they will come away from this program with a National Certification in Emergency Medical Response and Florida certification as a Firefighter 1.

The Department has hired 4 new Firefighters to serve the City. The 4 new Firefighter/Paramedics will go through a 4-week pre-assignment (two weeks of EMS and 2 weeks of Fire). They were all hired from our Inter-Facility team and part-time Paramedics.
