  - **Combined Training:** Target Solution software for all shifts, a total of 560 courses were taken which totaled 234.36 hours of training.
  - **Instructors on Staff:** We have a total of six instructors with live fire certifications and seven EMS instructors.

## **BENEVOLENT FIREFIGHTER SERVICES**

***Benevolent recruitment*** – The Department continues to support recruitment of additional personnel coordinated through the Marathon Fire Rescue Benevolent Association. Over the last 6 months the Benevolent has been as active as possible. We had the return of one of our fully vaccinated members resume riding with the department when he is available.

## **INFORMATION –**

The Marathon High School/School Board Fire Recruit Program will start again this August. We will be starting the program this year at MHS then moving to Station 14 depending on the status of COVID-19.

COVID-19 is still a part of our daily lives. We continue to promote vaccinations to all residents and visitors. We still encourage the use of masks when one feels they are needed to protect themselves or family.

As we enter the summer months, we need to be on alert for changing weather patterns and continue to make sure we are protected. Everyone please be smart; prepare and keep your families safe. Water, food, phone chargers, fuel, and possible evacuation plans are a minimum requirement. The City's staff are here for you, and we wish everyone a safe hurricane season.

-----
