BEACHES

Sombrero Beach

- We continue to sanitize and restock the toilet paper in the restrooms in the afternoons and evening hours.
- The kayak ramp is still not available for use. Carlos is in charge of that project, so I'm not sure what his end goal is with the ramp and when it'll be done.

Coco Plum

- Everything is good at Coco Plum Beach

PARKS

Jesse Hobbs

- No issues at Jesse Hobbs Park

Community Park

- Yoga classes continue to happen at the amphitheater Monday, Wednesday, Thursday, and Friday. They scheduled a full moon yoga session at the amphitheater for the month of July and August during the full moon.
- Public Works has begun tearing up the bocce courts to prepare for the fitness court that will be placed between the basketball courts and park office.
- The bocce courts will be moved to the back of the basketball courts.
- Maria (grant coordinator) and I met with the National Fitness Campaign staff to discuss the timeline for the fitness court at the Community Park. We are hoping to have this court ready for use by the end of this year (November or December).
 - I met with Carlos to identify the area where the fitness court will be installed. We will be relocating the Bocce Courts behind the basketball courts and installing the fitness court in the current space where the bocce courts are located.
