Dear Council,

Marine unit:

This month we took delivery of the new City of Marathon patrol boat.

Community service:

Deputies Mompoin and Morales. Due to the high winds/storms, several residents were having cable/phone lines hanging in the middle of their street. This elderly female that called was so grateful and appreciative of our Deputies for taking the time to at least temporarily fix the problem of a hanging wire across Sombrero Blvd.

The whole C-shift squad partook Switlik students on the annual jog-a-thon race. The class was excited to see Deputies running beside them!

Deputy Daniels saves an injured pelican from the middle of the road

Personnel and Budget:

Currently 1 deputy down with 2 finishing FTO training next week.
No budget concerns at this time.

Respectfully,

Capt. Don Hiller
