BENEVOLENT FIREFIGHTER SERVICES

Benevolent recruitment – The Department continues to support recruitment of additional personnel coordinated through the Marathon Fire Rescue Benevolent Association.

INFORMATION –

The department hired 3 new firefighters who are continuing their probationary period and are rotating through the shifts. They have all completed their first rotation and will be formally evaluated before switching to their new shift.

The department is planning on hosting a paramedic school in August at Station 14 which will offer our EMTs the convenience and opportunity to gain their paramedic license to aid in their career and with the department.

We currently have three former cadets in the Hotshots program. Two have been hired part time with the city. A total of three cadets are State Certified firefighters, by the end of the current Hotshots program we will have six firefighters in 3 years of holding this class.

As always, remain prepared for storm season. Ensure your emergency evacuation plans are in place and stay safe.
