OPERATIONS:

- **Training:**
 - **Fire Officer Training:** All Fire Officers maintain daily Incident Management continuing education as well as this month's "Training Module September 2022".
 - **EMS Training:** This month the Firefighters completed 215.92 hours of training. This training includes monthly medication exercises and updated protocols, Area Familiarization at OCEAN VEIW MARINA, and the boat storage facilities.
 - **Fire Training:** All firefighters continue to conduct daily shift drills, as well as our probationary firefighters task book training. (We were scheduled for live evolutions in the city's acquired structures on 39th/69th/83rd Street.)
 - **ARFF:** This month the department conducted the annual ARFF Drill and completed 4-hours of training.
 - **Tactical Medic Program:** This month 2 fire fighters participated in 16 hours of SWAT Call Out and an additional 2-hour PT qualification with MCSO.
 - **Combined Training:** Target Solution software for all shifts, a total of 222 courses were taken which totaled 215.92 hours of training.
 - **Instructors on Staff:** We have a total of six instructors with live fire certifications and seven EMS instructors.
 - **Other:** Set up EOC and conducted hurricane readiness for Tropical Storm/Hurricane Ian.

BENEVOLENT FIREFIGHTER SERVICES

The Benevolent did not meet this month. But as always, they continue to support recruitment of additional personnel coordinated through the Marathon Fire Rescue Benevolent Association.

INFORMATION

Marathon Fire Department was diligently planning and preparing for any effects of Hurricane Ian. After the storm we assisted Marathon citizens and other city departments with debris cleanup. Hurricane Ian served as a reminder as to why it is important to be proactive regarding your hurricane preparations and evacuation plans. Stay prepared and stay safe.

Chris Cameron, Thomas Wohlers, and Isabella Sanchez have been working with the cadets from MHS and the class is going well. The Emergency Medical Response portion is nearing completion and they will be moving into the Fire portion of the class next. The Coco Plum Beach cleanup was postponed. We plan to do an assessment of the beach and determine which areas we can help rebuild after Hurricane Ian passed through. The Super Soaker Saturday event at Sombrero Beach was a huge success, preparations for another is already in the works! The cadets will also be helping set up, run, and break down the Stanley Switlik Halloween Carnival on October 23rd. We plan to have a busy and successful year.
