

Marathon City Marina is also known as Boot Key Harbor City Marina.

- We offer 226 mooring balls and 14 slips for full time liveaboards only
- We run 2 pump out boats that pumps waste from boats on the moorings, anchored vessels or those that wish to be pumped dockside at our marina.
- We are a pet-friendly marina
- We have been designated as a “Clean Marina” meaning we provide recycle services to keep our waterways clean as much as possible. We accommodate almost every type of recyclable waste ranging from household type items to materials associated with engine maintenance.
- We are equipped with 2 dinghy docks, project room, and storage areas. We offer private bathroom and shower facilities as well as a laundry room. We also have an open-air lounge area with free wifi, television, and a lending library.
- There is a vegetable garden where cruisers use for free vegetables and herbs adjacent to our butterfly garden.
- We are one of the few marinas that accept mail and packages for our customers
- We are within walking distance of marine retailers and boatyards, grocery stores, pharmacies, hospital and restaurants.
- The marina is adjacent to our municipal park and beaches (which is accessible by dinghy or kayak).
