## **OPERATIONS:**

### **• Training:**

- **Fire Officer Training:** All Fire Officers maintained daily incident management, continuing education as well as working on preparations for the upcoming storm season.
- **EMS Training:** This month the Firefighters completed 72 hours of training. This training includes monthly medication exercises, updated protocols, and an EMS equipment refresher.
- **Fire Training:** All firefighters continue to conduct daily shift drills; they also completed NFPA 1410 hose drills.
- **Tactical Medic Program:** This month one (1) firefighter participated in 20-hours of SWAT Call Out with MCSO.
- **Combined Training:** Vector Solution software for all shifts, a total of 138 courses were taken, which totaled 61.58 hours of training.
- **Instructors on Staff:** We have a total of six instructors with live fire training certifications and seven EMS instructors.

## **BENEVOLENT FIREFIGHTER SERVICES**

The Benevolent Association had a successful meeting this month. The meeting was held at Lazy Days and the crew and Benevolent enjoyed dinner during the meeting. Subjects discussed included a new meeting schedule on the third Wednesday of every month (either a trash pick-up or dinner meeting/special event), planning for the BrewBQ event, t shirt logos, and ways to drive membership. As always, we continue to support recruitment of additional personnel coordinated through the Marathon Fire Rescue Benevolent Association.

## **INFORMATION**

We are in the process of interviewing for a new Fire Chief. Hopefully, common ground can be reached, and the new Fire Chief can start soon.

The department will be working on its annual preparations for the upcoming storm season. Last week we had several severe weather events all over the state. Please prepare your homes and ensure your family's plans are in place in case of an emergency.

The High School Cadet program offered by the department has come to an end. It was a great success as four cadets received their Fire I certification from the State of Florida.

Currently we have three open positions for Firefighter Paramedic/EMT. The department issued a conditional employment letter to 4 Firefighter EMTs who are diligently working on their pre-hire requirements and hope to begin training in the second week of July.
