Dear Council,

Enclosed is the District 4/5 June Monthly Report. Total call volume decreased from May, with District activity being affected by members being on vacation and acting as FTO's for new Deputies for our District as well as District 1.

In June, the district conducted 492 traffic stops, issued 183 traffic citations, and completed 41 field intel reports. There were 41 total charge reports, including 4 DUI arrests, along with 4 resource citations. Community engagement remained strong across squads through patrol presence, resource checks, and event interactions.

In June, CIU completed several cases and continued working on a multi-jurisdictional fraud network. Sgt. Askins remained in place as the unit sergeant, and Det. Diaz completed her formal transfer into the unit. Det. Swire went out on FMLA in June. The unit was assigned 8 new cases including an aggravated battery, complex fraud, and a juvenile theft ring.
