Meeting Date: January 13, 2026

To: Honorable Mayor and Councilmembers

From: Carlos A. Solis, P.E. Director of Engineering

Through: George Garrett, City Manager

Agenda Item: Resolution **2026-07** Accepting The Lowest Responsible Bid And Approving A Contract Between The City And Mike Haack Excavating, Inc. In An Amount Not To Exceed \$1,261,555.75 For Development of the Quay Park Project and Associated Improvements at The Quay Property; Authorizing The City Manager To Execute The Contract And Appropriate Funds On Behalf Of The City; And Providing For An Effective Date

BACKGROUND & JUSTIFICATION:

The City purchased the balance of the Quay property in October of 2018 and has systematically improved the property with the expansion of the boat trailer lot and installation of a new restroom facility. As part of the continuous development of the site, a new park area was planned with input from the public to share the property with a future expansion of the boat ramp. Plans were completed for the upland park project and bids were requested for the work. Six bids were received, and after evaluation of the bids, staff recommends award of the project to the lowest responsive bidder, Mike Haack Excavation, Inc. in the amount of \$1,261,555.75. The City did bid the project utilizing the Local Preference ordinance, allowing up to 2% to a Marathon contractor, however the ordinance also has a provision that extends the local preference to County contractors if the County also provides such preference to Marathon contractors. We verified that the County does have such ordinance.

The project provides for a loop road around the property, which will also accommodate the future new dual boat ramp, a paver area that can accommodate food trucks for events, pavilions, landscaping, and stormwater improvements to bring the property into compliance with the current standards. The submitted bid summary is as follows:

1. Mike Haack Excavating, Inc.	\$1,261,555.75
2. Discount Rock & Sand, Inc.	\$1,262,877.00
3. CBT Construction	\$1,288,518.14
4. Design Center, Inc.	\$1,318,255.30
5. Carlie Toppino & Sons, Inc.	\$1,948,132.00
6. LPS Contracting	\$2,584,087.71

The bid submittals were very competitive, and after reviewing the bids, staff recommends award the contract to Mike Haack Excavating, Inc in the amount of \$1,261,555.75.

ARTICLE 3. TERM

The Work shall be substantially completed within Two Hundred Ten (210) calendar days after the date specified in the Notice to Proceed (“Substantial Completion”), and fully completed and ready for final payment in accordance with the Contract Documents within Two Hundred Forty (240) calendar days after the date specified in the Notice to Proceed (“Final Completion”).

3.2 Contract Time. The Contract Term shall not commence until the CITY issues to CONTRACTOR a Notice to Proceed and the term of the Contract shall be through the date of final payment unless terminated earlier pursuant to Section 00700 – General Conditions, Article 14, Payments to Contractor and Completion.

3.3 Survival of Obligations. Any obligations by the CONTRACTOR, including but not limited to those set forth in Section 00700 – General Conditions, Article 12, Contractor’s General Warranty and Guarantee, that would or could occur after the date of expiration or termination of the Contract shall survive the termination or expiration of the Contract.

3.4 Liquidated Damages. CITY and CONTRACTOR recognize that time is of the essence in this Contract and that the CITY will suffer financial loss if the Work is not completed within the contract times specified in Section 3.1 for the Work above, plus any approved

extensions thereof allowed in accordance with the General Conditions. The CONTRACTOR also recognizes that the damages which the City will incur if the Work is not substantially completed on time and/or fully completed on time are not readily ascertainable at the time this Agreement is entered into, and the Contractor recognizes the difficulties involved in proving the actual loss suffered by CITY if the Work is not substantially completed on time and/or fully completed on time. Accordingly, instead of requiring any such proof, CITY and CONTRACTOR agree that as liquidated damages to compensate the City and not as a penalty for delay or as an incentive to complete on time, CONTRACTOR shall pay CITY (\$2000.00) for each calendar day that expires after the time specified in Section 3.1 for Substantial Completion of the Work. After Substantial Completion, if CONTRACTOR fails to fully complete the Work within the time specified in Section 3.1 for completion and readiness for final payment or any proper extension thereof granted by CITY, CONTRACTOR shall pay CITY (1500.00) for each calendar day that expires after the time specified in Section 3.1 for full completion and readiness for final payment. The liquidated damages are not in compensation for any other damages, and expressly exclude damages for completion contractor expenses, lost/unrealized revenue, financing costs, professional services, attorney fees, and/or additional City staffing that may be incurred if the work is not substantially completed on time and/or fully completed on time. All liquidated damages amounts will continue to be charged if the Contractor abandons the Work, or is terminated, and the Work is completed by another party.

3.5 Should the Substantial Completion and/or Full/Final Completion and acceptance of Work, together with any modification or additions, be delayed beyond the time for performance set in Section 3.1 above because of lack of performance by the CONTRACTOR, it is understood and agreed that aside from any liquidated damages, the Contractor shall be liable to the City for all actual additional costs and/or losses incurred by the CITY including, but not limited to, completion contractor expenses, lost/unrealized revenue, financing costs, professional services, attorney fees, and/or additional City staffing that incurred because the Work was not substantially completed on time and/or fully completed on time.
