

COUNCIL AGENDA STATEMENT

Meeting Date: January 13, 2026
To: Honorable Mayor and City Councilmembers
From: Brian Bradley, Deputy City Manager
Through: George Garrett, City Manager

Agenda Item: **Resolution 2026-05**, Approving An Amendment Revising The Rates For The Vacation Rental Fee Schedule; And Providing For An Effective Date.

BACKGROUND & JUSTIFICATION:

At the request of Councilman Matlock, staff was asked to review the vacation rental fees based on costs currently absorbed by the local taxpayer. As the City must employ additional staff to cover the population of vacation renters within the City, these fees now include 10% of the budgets of Fire EMS and Parks and Recreation. The total fees incurred per vacation rental (see attached fee schedule) is \$2,202.91. This number is rounded down to a new base license fee of \$2,100.00 and a renewal fee of \$2,000.00. This represents a \$1,000.00 increase to the current fee structure.

This yearly increase in costs will represent a number that can be passed on to the renter (\$19.23 a week or \$2.73 a day). The increased fees will generate an additional \$1,229,000.00 for the City budget. This would represent a 52% decrease in the current fiscal year's deficit spend of \$2,136,92.00.
