As a result of this agreement, the City is responsible for maintaining the medians, installed landscaping, and landscaped areas within the rights-of-way. The City receives \$53,000 annually in compensation from FDOT for these services. The agreement has a one-year term with two renewal options and is set to expire in July 2026. To carry out the requirements of this agreement, the City invested in additional personnel and equipment during the prior year.
