News: Replacing numbers and letters on the mooring balls after the wear and tear over the winter. The marina staff is working on preventative maintenance of the laundry room as well as maintaining pumpout pumps to ensure the pumpout boats can work properly.

Projects: Coming into off season, the staff will be focusing on marina improvements and summer projects such as fire treat tiki huts, painting the bath house interior, replacing the water fountain, revamping our marina mural as well as improving the landscaping by buying and inserting more bushes/flowers.
