Chapter 15 “Fire Prevention” Article 1 “In General”

Sec 15-6 Chickees And Tikis

- (a) All Chickees and Tikis shall be setback ten (10) feet from the side property line. In measuring setbacks, the horizontal distance between the dripline and the property line shall be used.
- (b) All Chickees and Tikis shall be setback ten (10) feet from any other structure. In measuring setbacks, the horizontal distance between the dripline and the further most projection of the improved structure shall be used.
- (c) All Chickees and Tikis are exempt from the Florida Fire Prevention Code, including the national fire codes and other national codes incorporated by reference if at least twenty (20) feet from another structure subject to the Florida Building Code;
- (d) *Alternative Compliance.* If a chickee or tiki is proposed to be less than twenty (20) feet from another structure subject to the Florida Building Code, then the proposed chickee or tiki must implement fire-proofing measures approved by a certified fire protection system contractor. In no instance shall the setback be reduced below the ten (10) feet denoted above.

Sec 15-~~7~~6 Penalty

- (a) The City may enforce the provisions of this chapter by any lawful means including, but not limited to, in accordance with Section 1-7 of the Marathon Code, Chapter 10 of the Marathon Code, or Chapter 109, Article II of the Land Development Regulations.
