Renovated Oceanfront Park Dog Park to open July 15

MARATHON, FL (July 9, 2026) – The long-awaited reopening of the Oceanfront Park Dog Park is scheduled for Wednesday, July 15, at 10 a.m.

Renovations at the dog park, located behind Marathon City Hall, began in April.

Upgrades include a new tiki shelter, a dog-washing station, and installation of dog-rated turf, with sod installation for greener space.

The dog park will be closed on the first and third Monday and Tuesday each month for maintenance and turf regrowth. The city has another dog park in the area next to Rotary Children's Park, between 75th and 76th streets.

The improvements were made possible in part by Monroe County Tourist Development Council capital grants funds.

The new tiki shelter at the dog park will provide shade for pets and their owners.

One of the new features at the park is this dog-washing station.
