Council workshop June 23 to aid non-profit funding applicants

MARATHON, FL (June 17, 2026) – The City of Marathon’s non-profit grant funding application period is set to end Tuesday, June 30, 2026, at 5 p.m.

A workshop will be held on Tuesday, June 23, at 5:30 p.m. at Marathon City Hall, 9805 Overseas Highway, to provide organizations an opportunity to meet with City Council members, discuss their organizations with city staff, and explain how grant funding would be used.

Participation in the workshop is not required but is highly recommended.

The purpose of this funding is to provide financial assistance to non-profit organizations delivering programs, projects, or services benefiting residents of the City of Marathon.

To assist applicants, city staff is offering a preliminary draft review process to help ensure applications meet applicable state and federal compliance requirements prior to final submission.

Funding is intended to support essential community services, enhance quality of life, and address documented community needs while avoiding duplication of benefits and unnecessary duplication of services.

Funding requests must be directly tied to a specific program, project, or service provided within the City of Marathon. Grant requests should be specific in scope and demonstrate non-duplication of benefits.

Awards will be announced Tuesday, July 14.
