

NONPROFIT FUNDING APPLICATION PERIOD TO BEGIN MAY 20

The City of Marathon has announced the opening of the nonprofit funding application period, from May 20 to 5 p.m. on June 30, 2026.

The purpose of this funding is to provide financial assistance to nonprofit organizations delivering programs, projects, or services benefiting residents of the City of Marathon. Funding is intended to support essential community services, enhance quality of life, and address documented community needs while avoiding duplication of benefits and unnecessary duplication of services.

Funding requests must be directly tied to a specific program, project, or service provided within the City of Marathon. Grant requests should be specific in scope and demonstrate nonduplication of benefits.

To assist applicants, city staff is offering a preliminary draft review process to help ensure applications meet applicable state and federal compliance requirements prior to final submission.

A nonprofit workshop will be held on Tuesday, June 23, at 5:30 p.m. at Marathon City Hall, 9805 Overseas Highway, to provide organizations an opportunity to meet with City Council, discuss the organizations, and explain how grant funding would be used. Participation in the workshop is not required but is highly recommended.

For additional information or to request a preliminary draft review, please contact Maria Covelli at covellim@ci.marathon.fl.us.
