The opening of the courts follows the recent “soft opening” of the Skate Park at Marathon Community Park

The courts are located at Oceanfront Park, behind Marathon City Hall, 9805 Overseas Highway.

Crews put on the finishing touches during the past week, installing fencing and landscaping, applying the court coating, and setting up the nets.

The nearly \$500,000 project was awarded to Discount Rock and Sand in October 2025.

Deputy City Manager Brian Bradley suggested using solar lighting instead of the traditional electrical lighting, which saved the city nearly \$150,000.

Another project at the park, the renovation of the Dog Park, is nearly complete. It is expected to open next month.
