Pickleball courts nearly completed

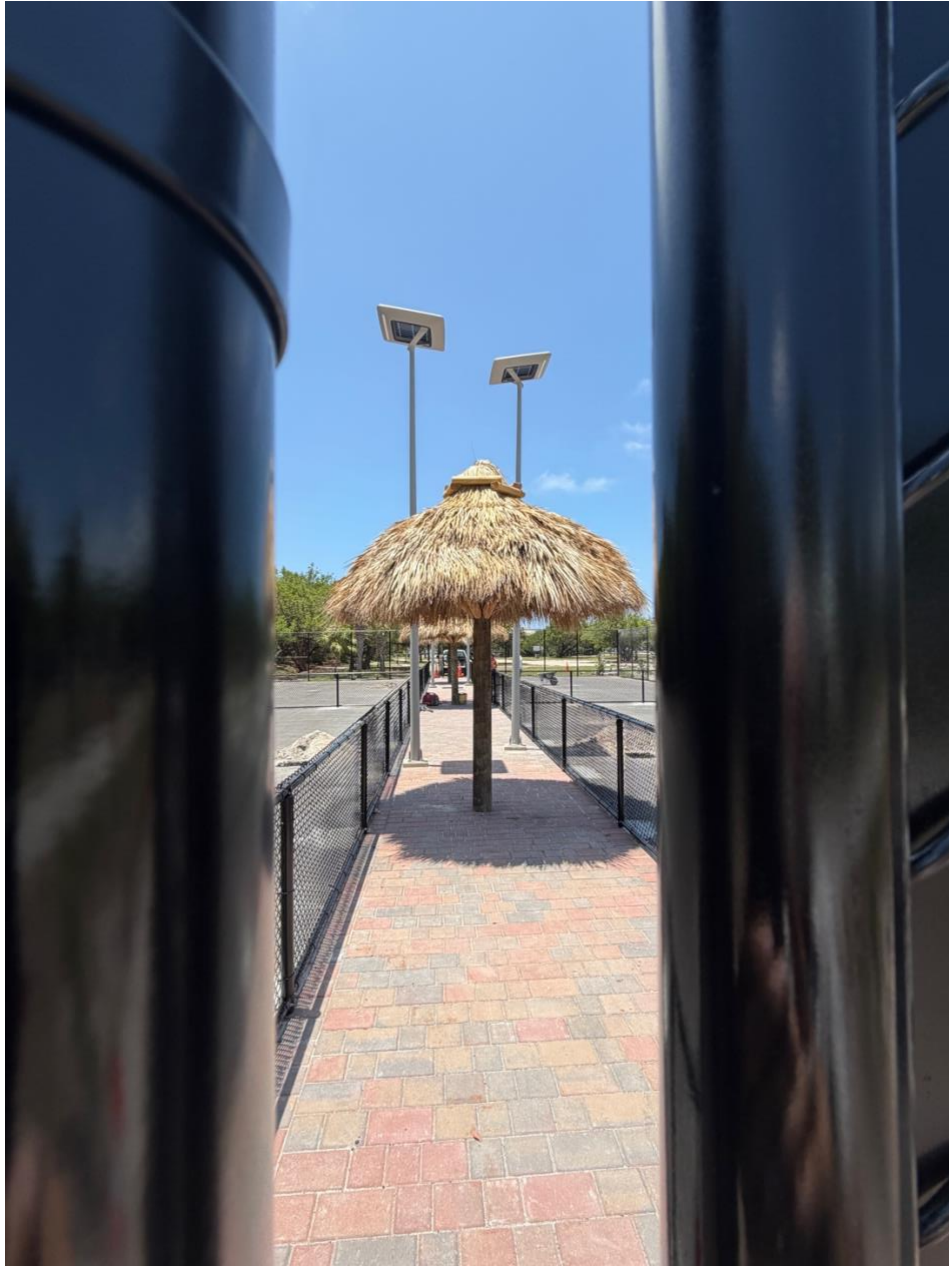

MARATHON, FL (June 17, 2026) – Work is nearly completed on the new pickleball courts behind Marathon City Hall, 9805 Overseas Highway.

During the past few weeks, crews have worked to install landscaping, lighting, and fencing. As of June 17, installing nets and applying the acrylic coating were all that remained to complete the courts, according to the city's Director of Engineering Carlos Solis.

A grand opening has yet to be scheduled.

The nearly \$500,000 project was awarded to Discount Rock and Sand in October 2025.

Deputy City Manager Brian Bradley suggested using solar lighting instead of the traditional electrical lighting. The change saved the city nearly \$150,000.

Solar lighting at the pickleball courts saved the city \$150,000.
