

**For Immediate Release:**

**City of Marathon to Begin Sign Ordinance Compliance Reviews**

**MARATHON, FL May 5, 2026** - The City of Marathon Code Department will begin conducting field reviews of signs throughout the city, starting Wednesday, May 6. The reviews are being conducted to assess compliance with sign regulations set forth under Article 107-7 of Chapter 107 of the City of Marathon Code of Ordinances.

Field reviews will begin with properties along Overseas Highway. Where potential violations are identified, the city will notify the affected property and business owners directly and work with them to bring any non-compliant signage into compliance.

The City of Marathon remains committed to working collaboratively with local businesses and property owners throughout this process.
