Skate Park to hold 'soft opening' Tuesday, June 23

MARATHON, FL (June 22, 2026) – The long-awaited Skate Park at Marathon Community Park will have a “soft opening” on Tuesday, June 23.

Landscaping and irrigation work continues around the structures, which include bowls, half- and quarter-ramps and some street-style obstacles, but the course will be available to the public.

There will be rolling closures around the park, which is considered an active construction site, and orange fencing will be used to mark areas where entrance is denied because of the work.
