

For Immediate Release:

City replacing Sombrero Boulevard guardrails

MARATHON, FL (Aug. 24, 2026) – The City of Marathon Public Works Department is replacing the guardrails on both sides of a portion of Sombrero Boulevard, according to the city's Facility and Construction Project Manager Mark Tuschel.

Approximately 220 feet of guardrail will be replaced along the golf course and Atlantic sides of the roadway.

One lane of the road will be closed daily, from 7 a.m. to 3 p.m, until the week-long project is complete, Tuschel said.

Traffic will be passable during those hours, Tuschel said, adding travelers should remain alert for City of Marathon road crew workers and follow their direction.
