**AMENDMENT 1 TO LOAN AGREEMENT WW63702P  
CITY OF MARATHON**

This amendment is executed by the FLORIDA WATER POLLUTION CONTROL FINANCING CORPORATION (the "Corporation") and the City of Marathon, FLORIDA, (the "Local Borrower") existing as a local governmental agency under the laws of the State of Florida.

WITNESSETH:

WHEREAS, the Corporation and the Local Borrower entered into a Clean Water State Revolving Fund Loan Agreement, Number WW63702P, authorizing a Loan amount of \$1,188,811, excluding Capitalized Interest; and

WHEREAS, the Local Borrower is entitled to additional financing for Construction Related Costs in the amount of \$2,557,400, excluding Capitalized Interest; and

WHEREAS, a Financing Rate must be established for the additional financing amount awarded in this amendment; and

WHEREAS, an estimated Loan Service Fee must be assessed for the additional financing; and

WHEREAS, the Project costs, Loan repayment schedule, Project schedule, certain definitions, and other provisions of the Agreement need revision and several provisions need to be added to address financing of Construction Related Costs; and

NOW, THEREFORE, the parties hereto agree as follows:

1. Subsection 1.01(18) of the Agreement is revised as follows:

(18) "Project" shall mean the works financed by this and future amendments consisting of furnishing all labor, materials, and equipment to construct the collection, transmission, treatment, and reuse facilities in accordance with the plans and specifications accepted by the Department for the "Sombrero Beach Sewer Project" contract.

Future amendments may expand the definition of Project by including additional contracts.

The Project is in agreement with the "City of Marathon – Planning Documents for State Revolving Fund Loan, Marathon Regional Wastewater Project" Facilities Plan, dated July 2005 and revised January 2006. Approval of this Project is provided by the Florida Categorical Exclusion Notification dated February 17, 2006.

2. Article II, WARRANTIES, REPRESENTATIONS AND COVENANTS, is deleted and replaced as follows:

**ARTICLE II - WARRANTIES, REPRESENTATIONS AND COVENANTS**

**2.01. GENERAL WARRANTIES, REPRESENTATIONS AND COVENANTS**

The Local Borrower warrants, represents and covenants that:

(1) The Local Borrower has full power and authority to enter into this Agreement and to comply with the provisions hereof.

(2) The Local Borrower currently is not the subject of bankruptcy, insolvency, or reorganization proceedings and is not in default of, or otherwise subject to, any agreement or any law, administrative regulation, judgment, decree, note, resolution, charter or ordinance which would currently restrain or enjoin it from entering into, or complying with, this Agreement.

(3) There is no material action, suit, proceeding, inquiry or investigation, at law or in equity, before any court or public body, pending or, to the best of the Local Borrower's knowledge, threatened, which seeks to restrain or enjoin the Local Borrower from entering into or complying with this Agreement.

(4) All permits, real property interests, and approvals required as of the date of this Agreement have been obtained for construction and use of the Project. The Local Borrower knows of no reason why any future required permits or approvals are not obtainable.

(5) The Local Borrower shall undertake the Project on its own responsibility, to the extent permitted by law.

(6) To the extent permitted by law, the Local Borrower shall release and hold harmless the State, its agencies, the Corporation, and each of their respective officers, members, and employees from any claim arising in connection with the Local Borrower's actions or omissions in its planning, engineering, administrative, and construction activities financed by this Loan or its operation of the Project.

(7) All Local Borrower representations to the Corporation and the Department, pursuant to the Loan Application and this Agreement, were and are true and accurate as of the date the Loan Application and this Agreement were each executed by the Local Borrower. The financial information delivered by the Local Borrower to the Department was current and correct as of the date such information was delivered. The Local Borrower shall comply with Chapter 62-503, Florida Administrative Code, and all applicable State and Federal laws, rules, and regulations which are identified in the Loan Application or this Agreement. To the extent that any assurance, representation, or covenant requires a future action, the Local Borrower shall take such action as is necessary for compliance.

(8) The Local Borrower shall maintain records using generally accepted governmental accounting principles established by the Governmental Accounting Standards Board. As part of its bookkeeping system, the Local Borrower shall keep accounts of the Sewer System separate from all other accounts and it shall keep accurate records of all revenues, expenses, and expenditures relating to the Sewer System, and of the Pledged Revenues, Loan disbursement receipts and Loan Debt Service Account.

(9) In the event the anticipated Pledged Revenues are shown by the Local Borrower's annual budget to be insufficient to make the Semiannual Loan Payments for such Fiscal Year when due, the Local Borrower shall include in such budget other legally available funds which will be sufficient, together with the Pledged Revenues, to make the Semiannual Loan Payments. Such other legally available funds shall be budgeted in the regular annual governmental budget and designated for the purpose provided by this Subsection, and the Local Borrower shall collect such funds for application as provided herein. The Local Borrower shall notify the Department immediately in writing of any such budgeting of other legally available funds. Nothing in this covenant shall be construed as creating a pledge, lien, or charge upon any such other legally available funds; requiring the Local Borrower to levy or appropriate ad valorem tax revenues; or preventing the Local Borrower from pledging to the payment of any bonds or other obligations all or any part of such other legally available funds.

(10) Each Fiscal Year, beginning three months before the first Semiannual Loan Payment and ending with the Fiscal Year during which the final Loan repayment is made, the Local Borrower's Authorized Representative or its chief financial officer shall submit, pursuant to the schedule established in Section 10.07, a certification that: (a) Pledged Revenues collections satisfy, on a pro rata basis, the rate coverage requirement; (b) the Loan Debt Service Account contains the funds required; and (c) insurance, including that issued through the National Flood Insurance Program authorized under 42 U.S.C. secs. 4001-4128 when applicable, in effect for the facilities generating the Pledged Revenues, adequately covers the customary risks to the extent that such insurance is available.

(11) Pursuant to Section 216.347 of the Florida Statutes, the Local Borrower shall not use the Loan proceeds for the purpose of lobbying the Florida Legislature, the Judicial Branch, or a State agency.

(12) The Local Borrower agrees to construct the Project in accordance with the Project schedule. Delays incident to strikes, riots, acts of God, and other events beyond the reasonable control of the Local Borrower are excepted. If for any reason construction is not completed as scheduled, there shall be no resulting diminution or delay in the Semiannual Loan Payment or the Monthly Loan Deposit.

(13) The Local Borrower covenants that this Agreement is entered into for the purpose of constructing, refunding, or refinancing the Project which will in all events serve a public purpose. The Local Borrower covenants that it will, under all conditions, complete and operate the Project to fulfill the public need.

(14) The Local Borrower shall take such actions, shall furnish and certify to such information and execute and deliver and cause to be executed and delivered such documents, certificates and opinions as the Corporation and/or the Department may reasonably require in connection with the Bonds, including, without limitation, any necessary continuing disclosure undertaking meeting the requirements of Securities and Exchange Commission Rule 15c2-12.

## 2.02. TAX WARRANTIES, REPRESENTATIONS AND COVENANTS

The Local Borrower acknowledges that the Corporation may issue Tax-Exempt Bonds with which to fund the Loan to the Local Borrower and that the maintenance of the tax-exempt status of any such Tax-Exempt Bonds will depend, in part, on the Local Borrower's compliance with the provisions of this Agreement. Accordingly, the Local Borrower warrants, represents and covenants that:

(1) Notwithstanding any other provisions of this Agreement, including specifically Section 2.02(8), if the Local Borrower shall be notified by the Corporation or the Department as of any date that any payment is required to be made to the United States Treasury in respect of Tax-Exempt Bonds the proceeds of which were used to fund the Loan (hereafter, the "Applicable Tax-Exempt Bonds"), and such payment is due to the failure of the Local Borrower to comply with this Agreement, the Local Borrower shall pay to the Trustee (for deposit to the applicable Subaccount of the Rebate Account established by the Indenture) the amount specified in the notice by the Corporation or the Department.

(2) The Local Borrower is a "governmental person" (as defined in Treasury Regulations §1.141-1(b)) (a "Governmental Unit") and it owns and operates the Project.

(3) The Local Borrower will not take any action or omit to take any action, which action or omission will adversely affect the exclusion from gross income of the interest on the Applicable Tax-Exempt Bonds for federal income tax purposes or cause the interest on the Applicable Tax-Exempt Bonds, or any portion thereof, to become an item of tax preference for purposes of the alternative minimum tax imposed on individuals and corporations under the Code, and in the event of such action or omission, promptly upon having such brought to its attention, it will take such reasonable actions based

upon an opinion of any attorney or firm of attorneys of recognized standing and experience in the field of municipal bonds whose opinions are generally accepted by purchasers of municipal bonds and which attorney or firm of attorneys is acceptable to the Corporation ("Bond Counsel"), and in all cases at the sole expense of the Local Borrower, as may rescind or otherwise negate such action or omission. The Local Borrower will not directly or indirectly, use or permit the use of any proceeds of the Applicable Tax-Exempt Bonds or any other funds of the Local Borrower, or take or omit to take any action, that would cause the Applicable Tax-Exempt Bonds to be or become "arbitrage bonds" within the meaning of Section 148(a) of the Code or to fail to meet any other applicable requirement of Sections 141, 148, 149 and 150 of the Code or cause the interest on the Applicable Tax-Exempt Bonds, or any portion thereof, to become an item of tax preference for purposes of the alternative minimum tax imposed on individuals and corporations under the Code. To that end, the Local Borrower will comply with all requirements of Sections 141, 148, 149 and 150 of the Code to the extent such provisions apply to the Applicable Tax-Exempt Bonds. In the event that at any time the Corporation or the Department is of the opinion that it is necessary to restrict or limit the yield on the investment of any moneys held by the Local Borrower, the Corporation or the Department shall so instruct the Local Borrower in writing and the Local Borrower shall so restrict the yield.

(4) The Local Borrower (or any "related party", as defined in Treasury Regulations §1.150-1(b)) is prohibited from purchasing and shall not purchase any Applicable Tax-Exempt Bonds other than purchases in the open market for the purpose of tendering them to the Trustee for purchase and retirement.

(5) The Local Borrower will take no action, or permit or suffer any action or event, which will cause any of the Applicable Tax-Exempt Bonds to be or become a "private activity bond" within the meaning of the Code. To that end, the Local Borrower will not permit more than 5% of the Project or portion thereof financed with Tax-Exempt Bonds to be used for a Private Business Use. The term "Private Business Use" means use directly or indirectly in a trade or business or any other activity carried on by any Private Person other than use as a member of, and on the same basis as, the general public. The term "Private Person" means any person other than a Governmental Unit. For this purpose, the United States or any agency or instrumentality thereof is not a Governmental Unit and is therefore a Private Person. For purposes of this paragraph (5), property is considered "used" by a Private Person if:

- (i) it is owned by, or leased, to such Private Person;
- (ii) it is operated, managed or otherwise physically employed, utilized or consumed by such Private Person, other than operation or management pursuant to an agreement that meets the conditions described in paragraph (6) below;
- (iii) capacity in or output service from such property is reserved or committed to such Private Person under a take-or-pay, output, incentive payment or similar contract or arrangement;
- (iv) such property is used to provide service to (or such service is committed to or reserved for) such Private Person on a basis or terms that are different from the basis or terms on which such service is provided (or committed or reserved) to members of the public generally (except possibly for the amount of use and any corresponding rate adjustment);
- (v) such Private Person is a developer and a significant amount of the Project financed with proceeds of Tax-Exempt Bonds serves only a limited area substantially all of which is owned by such Private Person, or a limited group of developers, unless such improvement carries out an essential governmental function, such developer reasonably expects to proceed with all reasonable speed to develop the improvement and property benefited by that

improvement, and the improvement is in fact transferred to a Governmental Unit promptly after the property benefited by the improvement is developed; or

(vi) substantial burdens and benefits of ownership of the Project financed with proceeds of Tax-Exempt Bonds are otherwise effectively transferred to such Private Person.

(6) Use of Bond-Financed Property.

(i) For purposes of this Agreement, the use by a Private Person of the Project financed with the proceeds of Tax-Exempt Bonds (the "Bond Financed Property") pursuant to a Qualified Use Contract (as hereafter defined) shall not be treated as a Private Business Use by such Private Person of such Bond-Financed Property or of funds used to finance or refinance such Bond-Financed Property.

(ii) An arrangement under which services are to be provided by a Private Person involving the use of all or any portion of, or any function of, the Bond-Financed Property (for example, management services for an entire facility or a specific department of a facility ("Use Contract")) is a "Qualified Use Contract" if all of the following conditions are satisfied:

(A) the compensation for services provided pursuant to the Use Contract is reasonable;

(B) none of the compensation for services provided pursuant to the Use Contract is based on net profits from operation of the Bond-Financed Property or any portion thereof;

(C) the compensation provided in the Use Contract satisfies one of the following subparagraphs:

(I) At least 95% of the compensation for each annual period during the term of the Use Contract is based on a periodic fixed fee and the term of the Use Contract, including all renewal options, does not exceed the lesser of 80% of the reasonably expected useful life of the Bond-Financed Property and 15 years. For purposes of this subparagraph (ii), a "periodic fixed fee" means a stated dollar amount for services rendered for a specified period of time that does not increase except for automatic increases pursuant to a specified, objective external standard that is not linked to the output or efficiency of the Bond-Financed Property (e.g., the Consumer Price Index) and a "renewal option" means a provision under which either party to the Use Contract has a legally enforceable right to renew the Use Contract; or

(II) At least 80% of the compensation for each annual period during the term of the Use Contract is based on a periodic fixed fee and the term of the Use Contract, including all renewal options, does not exceed the lesser of 80% of the reasonably expected useful life of the Bond-Financed Property and 10 years; or

(III) At least 50% of the compensation for each annual period during the term of the Use Contract is based on a periodic fixed fee, the term of the Use Contract, including all renewal options, does not exceed 5 years, and the Use Contract is terminable by the Local Borrower on reasonable notice, without penalty or cause, at the end of the third year of the Use Contract term; or

(IV) All of the compensation for services is based on a capitation fee or a combination of a capitation fee and a periodic fixed fee, the term of the Use Contract, including all renewal options, does not exceed 5 years, and the Use Contract is terminable by the Local Borrower on reasonable notice, without penalty or cause, at the end of the third year of the Use Contract term. A "capitation fee" means a fixed periodic amount for each person for whom the Service Provider assumes the responsibility to provide all needed services for a specified period so long as the quantity and type of service actually provided to covered persons varies substantially; or

(V) All of the compensation for services is based on a per-unit fee or a combination of a per-unit fee and a periodic fixed fee, the term of the Use Contract, including all renewal options, does not exceed 3 years and the Use Contract is terminable by the Local Borrower on reasonable notice, without penalty or cause, at the end of the second year of the Use Contract term. A "per-unit fee" means a fee based on a unit of service provided (e.g., a stated dollar amount for each specified procedure); or

(VI) All of the compensation for services is based on a percentage of fees charged or a combination of a per-unit fee and a percentage of revenue or expense fee, the term of the Use Contract, including all renewal options, does not exceed 2 years and the Use Contract is terminable by the Local Borrower on reasonable notice, without penalty or cause, at the end of the first year of the Use Contract term. This subparagraph (VI) applies only to (a) Use Contracts under which the Private Person primarily provides services to third parties, or (b) Use Contracts involving the Bond-Financed Property during an initial start-up period for which there have been insufficient operations to establish a reasonable estimate of the amount of the annual gross revenues (or gross expenses in the case of a Use Contract based on a percentage of gross expenses) (e.g., a Use Contract for general management services for the first year of operations), in which case, the compensation for services may be based on a percentage of gross revenues, adjusted gross revenues (i.e., gross revenues less allowances for bad debts and contractual and similar allowances) or expenses of the Bond-Financed Facilities, but not more than one.

For purposes of this paragraph (6)(ii)(C), a Use Contract is considered to contain termination penalties if the termination limits the Local Borrower's right to compete with the Private Person, requires the Local Borrower to purchase equipment, goods, or services from the Private Person, or requires the Local Borrower to pay liquidated damages for cancellation of the Use Contract. Another contract between the Private Person and the Local Borrower (for example, a loan or guarantee by the Private Person) is considered to create a contract termination penalty if that contract contains terms that are not customary or arm's-length that could operate to prevent the Local Borrower from terminating the Use Contract. A requirement that the Local Borrower reimburse the Private Person for ordinary and necessary expenses, or restrictions on the hiring by the Local Borrower of key personnel of the Private Person, are not treated as contract termination penalties;

(D) The Private Person has no role or relationship with the Local Borrower, directly or indirectly, that, in effect, substantially limits the Local Borrower's ability to

exercise its rights under the Use Contract, including cancellation rights. This requirement is satisfied if:

(I) The Private Person and its directors, officers, shareholders and employees possess in the aggregate, directly or indirectly, no more than 20 percent of the voting power of the governing body of the Local Borrower;

(II) No individual who is a member of the governing body of the Private Person and the Local Borrower is the chief executive officer of the Local Borrower or the Private Person or the chairperson of the governing body of the Local Borrower or the Private Person; and

(III) The Local Borrower and the Private Person are not "related parties" (within the meaning of Treasury Regulations §1.150-1(b).

(iii) The Local Borrower may treat a Use Contract that does not comply with one or more of the criteria of subparagraph (6)(ii) as not resulting in Private Business Use of Bond-Financed Property if it delivers to the Corporation and the Department, at its expense, an opinion of Bond Counsel to the effect that to do so would not adversely affect the exclusion from gross income of interest on the Applicable Tax-Exempt Bonds or cause the interest on the Applicable Tax-Exempt Bonds, or any portion thereof, to become an item of tax preference for purposes of the alternative minimum tax imposed on individuals and corporations under the Code.

(7) Notwithstanding any provision of this Section 2.02, if the Local Borrower provides, at the Local Borrower's expense, to the Corporation and the Department an opinion of Bond Counsel to the effect that any action required under this Section is no longer required, or to the effect that some further action is required, to maintain the exclusions from gross income of interest on the Applicable Tax-Exempt Bonds pursuant to Section 103(a) of the Code, the Local Borrower, the Corporation and the Department may rely conclusively on such opinion in complying with the provisions hereof, and the covenants hereunder shall be deemed to be modified to that extent.

(8) All tax warranties, representations, covenants and obligations of the Local Borrower contained in this Section 2.02 shall remain in effect and be binding upon the Local Borrower until all of the Applicable Tax-Exempt Bonds have been paid, notwithstanding any earlier termination of this Agreement or any provision for payment of principal of and premium, if any, and interest on the outstanding Applicable Tax-Exempt Bonds and release and discharge of the Indenture.

(9) Amounts deposited from time to time in the Loan Debt Service Account will be used to pay principal and interest within 13 months after the amounts are so deposited.

(10) The Local Borrower has not established and does not expect to establish or use any sinking fund, debt service fund, redemption fund, reserve or replacement fund, or similar fund, or any other fund to pay principal of, interest and any redemption premium on the Loan other than the Loan Debt Service Account. Except as set forth in the next sentence and except for money referred to in paragraph (9) above, no other money or investment property (including, without limitation, fixed income, equity and other investments) is or will be pledged as collateral or used for the payment of such principal and interest (or for the reimbursement of any others who may provide money to pay that principal and interest), or is or will be restricted, dedicated, encumbered, or set aside in any way as to afford the Corporation or holders of the Applicable Tax-Exempt Bonds reasonable assurance of the availability of such money or investment property to pay debt service on the Loan or the Applicable Tax-Exempt Bonds.

(11) Except as stated otherwise in this Agreement, no portion of the Loan will be used:

(i) to pay principal of or interest on, refund, renew, roll over, retire, or replace any other obligations issued by or on behalf of the Corporation, the Local Borrower or any other Governmental Unit,

(ii) to replace any proceeds of another issue of tax-exempt bonds that were not expended on the project for which such other issue was issued,

(iii) to replace any money that was or will be used directly or indirectly to acquire investments,

(iv) to make a loan to any other person or Governmental Unit,

(v) to pay any working capital expenditure other than expenditures identified in Treasury Regulations §1.148-6(d)(3)(ii)(A) and (B) (i.e., issuance costs of the Applicable Tax-Exempt Bonds, qualified administrative costs, reasonable charges for a qualified guarantee or for a qualified hedge, interest on the Loan for a period commencing on the issuance date of the Applicable Tax-Exempt Bonds and ending on the date that is the later of three years from that issuance date or one year after the date on which the Project was or will be placed in service, payments of amounts, if any, pursuant to paragraph (i), and costs, other than those already described, that do not exceed 5% of the sale proceeds of the Applicable Tax-Exempt Bonds and that are directly related to capital expenditures financed or deemed financed by the Applicable Tax-Exempt Bonds), or

(vi) to reimburse any expenditures made prior to the issuance date of the Applicable Tax-Exempt Bonds except those that qualify as a reimbursement of prior capital expenditures, based upon an opinion of Bond Counsel, at the expense of the Local Borrower, delivered to the Department and the Corporation.

(12) The Local Borrower does not intend to sell or otherwise dispose of the Project or any portion thereof during the term of the Applicable Tax-Exempt Bonds except for dispositions of property in the normal course at the end of such property's useful life to the Local Borrower.

(13) None of the Semiannual Loan Payments shall be federally guaranteed within the meaning of Section 149(b) of the Code.

## 2.03. LEGAL AUTHORIZATION

Upon signing this Agreement, the Local Borrower's legal counsel hereby expresses the opinion, subject to laws affecting the rights of creditors generally, that:

(1) This Agreement has been duly authorized by the Local Borrower and shall constitute a valid and legal obligation of the Local Borrower enforceable in accordance with its terms upon execution by both parties; and

(2) This Agreement specifies the revenues pledged for repayment of the Loan, and the pledge is valid and enforceable.

## 2.04. AUDIT AND MONITORING REQUIREMENTS.

The Local Borrower agrees to the following audit and monitoring requirements.

(1) The financial assistance authorized pursuant to this Loan Agreement consists of the following:

Federal Resources, Including State Match, Awarded to the Recipient Pursuant to this Agreement Consist of the Following:					
Federal Program Number	Federal Agency	CFDA Number	CFDA Title	Funding Amount	State Appropriation Category
CS120001-060	EPA	66.458	Capitalization Grants for State Revolving Funds	\$3,746,211	140131

(2) Audits.

(a) In the event that the Local Borrower expends \$500,000 or more in Federal awards in its fiscal year, the Local Borrower must have a single or program-specific audit conducted in accordance with the provisions of OMB Circular A-133, as revised. Subsection 2.04(1) of this Agreement indicates that Federal funds are awarded through the Department by this Agreement. In determining the Federal awards expended in its fiscal year, the Local Borrower shall consider all sources of Federal awards, including Federal resources received from the Department. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by OMB Circular A-133, as revised. An audit of the Local Borrower conducted by the Auditor General in accordance with the provisions of OMB Circular A-133, as revised, will meet the requirements of this part.

(b) In connection with the audit requirements addressed in the preceding paragraph (a), the Local Borrower shall fulfill the requirements relative to auditee responsibilities as provided in Subpart C of OMB Circular A-133, as revised.

(c) If the Local Borrower expends less than \$500,000 in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, is not required. In the event that the Local Borrower expends less than \$500,000 in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such an audit must be paid from Local Borrower resources obtained from other than Federal entities).

(d) The Local Borrower may access information regarding the Catalog of Federal Domestic Assistance (CFDA) via the internet at <http://aspe.os.dhhs.gov/cfda>.

(3) Report Submission.

(a) Copies of reporting packages for audits conducted in accordance with OMB Circular A-133, as revised, and required by Subsection 2.04(2) of this Agreement shall be submitted, when required by Section .320 (d), OMB Circular A-133, as revised, by or on behalf of the Local Borrower directly to each of the following:

(i) The Department at each of the following addresses:

(b) Pursuant to Section .320(f), OMB Circular A-133, as revised, the Local Borrower shall submit a copy of the reporting package described in Section .320(c), OMB Circular A-133, as revised, and any management letters issued by the auditor, to the Department at the two addresses listed under Subsection 2.04(3)(a) of this Agreement.

(c) Any reports, management letters, or other information required to be submitted to the Department pursuant to this Agreement shall be submitted timely in accordance with OMB Circular A-133, Florida Statutes, or Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, as applicable.

(d) Local Borrowers, when submitting financial reporting packages to the Department for audits done in accordance with OMB Circular A-133, or Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, should indicate the date that the reporting package was delivered to the Local Borrower in correspondence accompanying the reporting package.

(4) Project-Specific Audit.

Within 12 months after the amendment establishing final Project costs, the Local Borrower shall submit to the Department a Project-specific audit report for the Loan related revenues and expenditures. The audit shall address Loan disbursements received, Project expenditures, and compliance with Loan Agreement covenants. The Local Borrower shall cause the auditor to notify the Department immediately if anything comes to the auditor's attention during the examination of records that would constitute a default under the Loan Agreement. The audit findings shall set aside or question any costs that are unallowable under Chapter 62-503, Florida Administrative Code. A final determination of whether such costs are allowed shall be made by the Department.

(5) Record Retention.

The Local Borrower shall retain sufficient records demonstrating its compliance with the terms of this Agreement for a period of three years from the date the audit report is issued, and shall allow the Department, or its designee, Chief Financial Officer, or Auditor General access to such records upon request. The Local Borrower shall ensure that audit working papers are made available to the

Department, or its designee, Chief Financial Officer, or Auditor General upon request for a period of three years from the date the audit report is issued, unless extended in writing by the Department.

(6) Monitoring.

In addition to reviews of audits conducted in accordance with OMB Circular A-133, as revised (see audit requirements above), monitoring procedures may include, but not be limited to, on-site visits by Department staff, limited scope audits as defined by OMB Circular A-133, as revised, and/or other procedures. By entering into this Agreement, the Local Borrower agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department. In the event the Department determines that a limited scope audit of the Local Borrower is appropriate, the Local Borrower agrees to comply with any additional instructions provided by the Department to the Local Borrower regarding such audit. The Local Borrower further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer or Auditor General.

3. Section 4.01 PROJECT CHANGES is revised to add the following:

Project changes prior to bid opening shall be made by addendum to plans and specifications. Changes after bid opening shall be made by change order. The Local Borrower shall submit all addenda and all change orders to the Department for an eligibility determination. After execution of all construction, equipment and materials contracts, the Project contingency may be reduced.

4. The following two sections are added to the Agreement:

4.03. PERMITS AND APPROVALS.

The Local Borrower shall have obtained, prior to the Department's authorization to award construction contracts, all permits and approvals required for construction of the Project or portion of the Project funded under this Agreement.

4.04. ENGINEERING SERVICES.

A professional engineer, registered in the State of Florida, shall be employed by, or under contract with, the Local Borrower to oversee construction.

5. Section 4.08 LOAN DISBURSEMENTS is revised to amend and add the following:

Disbursements shall be made only by the Trustee for expenses incurred by the Local Borrower upon receipt of a requisition in the form provided under the Indenture executed by the Department. Disbursements shall be made directly to the Local Borrower for allowance costs and reimbursement of the incurred construction costs and related services. Disbursement of the allowance costs shall be made upon the Department's receipt of a disbursement request form. Up to seventy percent of the estimated allowance shall be disbursed after the Loan Agreement is signed. The remainder of the allowance shall be disbursed after all procurement contracts are executed and shall be adjusted to reflect as-bid costs. The entire estimated allowance may be disbursed after the Loan Agreement is signed if the Local Borrower agrees to an allowance adjustment after all contracts have been bid. Disbursements shall be made directly to the Local Borrower for reimbursement of the incurred construction costs and related services and technical services during construction. A requisition for disbursements shall be made upon receipt by the Department of the following:

(1) A completed disbursement request form signed by the Authorized Representative. Such requests must be accompanied by sufficiently itemized summaries of the materials, labor, or

services to identify the nature of the work performed; the cost or charges for such work; and the person providing the service or performing the work.

(2) A certification signed by the Authorized Representative as to the current estimated costs of the Project; that the materials, labor, or services represented by the invoice have been satisfactorily purchased, performed, or received and applied to the Project; that all funds received to date have been applied toward completing the Project; and that under the terms and provisions of the contracts, the Local Borrower is required to make such payments.

(3) A certification by the engineer responsible for overseeing construction stating that equipment, materials, labor and services represented by the construction invoices have been satisfactorily purchased, or received, and applied to the Project in accordance with construction contract documents; stating that payment is in accordance with construction contract provisions; stating that construction, up to the point of the requisition, is in compliance with the contract documents; and identifying all additions or deletions to the Project which have altered the Project's performance standards, scope, or purpose since the issue of the Department construction permit.

(4) Such other certificates or documents by engineers, attorneys, accountants, contractors, or suppliers as may reasonably be required by the Department.

6. Section 7.01 is deleted and replaced as follows:

From and after the effective date of this Agreement, the Corporation shall have a lien on the Pledged Revenues, which along with any other Corporation State Revolving Fund liens on the Pledged Revenues, will be prior and superior to any other lien, pledge or assignment with the following exception. All obligations of the Local Borrower under this Agreement shall be junior, inferior, and subordinate in all respects in right of payment and security to any additional senior obligations issued with the Department's consent pursuant to Section 7.02. Any of the Pledged Revenues may be released from the lien on such Pledged Revenues in favor of the Corporation if the Department makes a determination, based upon facts deemed sufficient by the Department, that the remaining Pledged Revenues will, in each Fiscal Year, equal or exceed 1.20 times the debt service coming due in each Fiscal Year under the terms of this Agreement.

7. Sections 8.01, 8.02, and 8.04 are deleted and replaced as follows:

**8.01. DISCHARGE OF OBLIGATIONS.**

All payments required to be made under this Agreement shall be cumulative and any deficiencies in any Fiscal Year shall be added to the payments due in the succeeding Fiscal Year and all Fiscal Years thereafter until fully paid. Payments shall continue to be secured by this Agreement until all of the payments required shall be fully paid to the Corporation. If at any time the Local Borrower shall have paid, or shall have made provision for the timely payment of, the entire principal amount of the Loan, and as applicable, Loan Service Fee, interest, and Grant Allocation Assessment charges, the pledge of, and lien on, the Pledged Revenues to the Corporation shall be no longer in effect. Deposit of sufficient cash or Defeasance Obligations may be made to effect defeasance of this Loan. However, the deposit shall be made in irrevocable trust with a banking institution or trust company for the sole benefit of the Corporation or its assignees and shall be subject to approval by the Corporation. There shall be no penalty imposed by the Corporation for early retirement of this Loan.

## 8.02. PROJECT RECORDS AND STATEMENTS.

Books, records, reports, engineering documents, contract documents, and papers shall be available to the authorized representatives of the Corporation, the Department and the U.S. Environmental Protection Agency's Inspector General for inspection at any reasonable time after the Local Borrower has received a disbursement and until three years after the date that the Project-specific audit report, required under Subsection 2.04(4), is issued.

## 8.04. ASSIGNMENT OF RIGHTS UNDER AGREEMENT.

The Local Borrower hereby expressly acknowledges that the Loan and all payments of principal and interest thereon, and all proceeds thereof, but excluding the Loan Service Fee and the Grant Allocation Assessment, have been pledged and assigned to the Trustee under the Indenture as security for the payment of principal of, premium, if any, and interest on the Bonds and the Trustee shall be entitled to act hereunder, and by the execution of this Agreement the Local Borrower in all respects consents to such assignment. The Corporation, the Department and the Trustee may further assign all or any parts of their rights under this Agreement without the prior consent of the Local Borrower after written notification to the Local Borrower. The Local Borrower shall not assign its rights and obligations under this Agreement without the prior written consent of the Department.

8. The following article is added to the Agreement:

### ARTICLE IX - CONSTRUCTION CONTRACTS AND INSURANCE

The following documentation is required to receive the Department's authorization to award construction contracts:

- (1) Proof of advertising.
- (2) Award recommendation, bid proposal, and bid tabulation (certified by the responsible engineer).
- (3) Certification of compliance with the conditions of the Department's approval of competitively or non-competitively negotiated procurement, if applicable.

#### 9.02. SUBMITTAL OF CONSTRUCTION CONTRACT DOCUMENTS.

After the Department's authorization to award construction contracts has been received, the Local Borrower shall submit:

- (1) Contractor insurance certifications.
- (2) Certified copy of the Local Borrower's award resolution.
- (3) Notices to proceed with construction.

#### 9.03. INSURANCE REQUIRED.

The Local Borrower shall cause the Project, as each part thereof is certified by the engineer responsible for overseeing construction as completed, and the Water and Sewer Systems (hereafter referred to as "Revenue Producing Facilities") to be insured by an insurance company or companies licensed to do business in the State of Florida against such damage and destruction risks as are customary for the operation of Revenue Producing Facilities of like size, type and location to the extent such insurance is obtainable from time to time against any one or more of such risks.

The proceeds of insurance policies received as a result of damage to, or destruction of, the Project or the other Revenue Producing Facilities, shall be used to restore or replace damaged portions of the facilities. If such proceeds are insufficient, the Local Borrower shall provide additional funds to restore or replace the damaged portions of the facilities. Repair, construction or replacement shall be promptly completed.

9. Additional financing in the amount of \$2,557,400, excluding Capitalized Interest, is hereby awarded to the Local Borrower.
10. A Financing Rate of 2.36 percent per annum is established for the additional financing amount awarded in this amendment. Individually, the interest rate is 1.18 percent per annum and the Grant Allocation Assessment rate is 1.18 percent per annum.
11. The estimated principal amount of the Loan is hereby revised to \$3,873,611, which consists of \$3,746,211 authorized for disbursement to the Local Borrower and \$127,400 of Capitalized Interest. This total consists of the following:
  - (a) \$1,233,211, including \$1,188,811 authorized for disbursement to the Local Borrower and \$44,400 of Capitalized Interest, at a Financing Rate of 2.46 percent per annum (the interest rate is 1.23 percent per annum and the Grant Allocation Assessment rate is 1.23 percent per annum); and
  - (b) \$2,640,400, including \$2,557,400 authorized for disbursement to the Local Borrower and \$83,000 of Capitalized Interest, at a Financing Rate of 2.36 percent per annum (the interest rate is 1.18 percent per annum and the Grant Allocation Assessment rate is 1.18 percent per annum).
12. An additional estimated Loan Service Fee in the amount of \$51,148, for a total of \$74,924, is hereby assessed. The fee represents two percent of the Loan amount excluding Capitalized Interest; that is, two percent of \$3,746,211.
13. Section 10.05 REPAYMENT SCHEDULE is revised as follows:

The Semiannual Loan Payment amount shall be \$124,778. Such payments shall be received by the Department beginning on February 15, 2010, and semiannually thereafter on August 15 and February 15 of each year until all amounts due hereunder have been fully paid. Until this Agreement is further amended, each Semiannual Loan Payment will be proportionally applied, after deduction of the Loan Service Fee is complete, toward repayment of the amounts owed on each incremental Loan amount at the date such payment is due.

The Semiannual Loan Payment amount is based on the total amount owed of \$3,948,535, which consists of the Loan principal plus the estimated Loan Service Fee with its Capitalized Interest, if any.

14. Section 10.06 PROJECT RELATED COSTS is revised as follows:

The Local Borrower, the Corporation and the Department acknowledge that the actual cost of the Project has not been determined. Project cost adjustments may be made as a result of construction bidding or mutually agreed upon Project changes. Capitalized Interest will be recalculated based on actual dates and amounts of Loan disbursements. If the Local Borrower receives other governmental financial assistance for this Project, the costs funded by such other governmental assistance will not be financed by this Loan. The Department shall establish the final Project costs after its final inspection of the Project records. Changes in Project costs may also occur as a result of the Local Borrower's Project audit or a Department audit.

Funds disbursed in accordance with this Agreement shall be disbursed in the order in which they have been obligated without respect to budgetary line item estimates. All disbursements shall be

made first from the original Loan amount until that amount has been disbursed. The Financing Rate established for the original Loan amount shall apply to such disbursements for the purpose of determining the associated Capitalized Interest and repayment amounts. The Financing Rate established for any additional increment of Loan funds shall be used to determine the Capitalized Interest and repayment amounts associated with the funds disbursed from that increment.

Estimated costs are as follows:
