Scope of Services

PROJECT ASSUMPTIONS

This Scope of Services is based on the following assumptions:

1. The stormwater assessment program (for Fiscal Years 2022-23 through 2024-25) will use the current assessment methodology developed by Chen and Associates for the City.
2. The fiscal year assessment database will use the existing database from the Fiscal Year 2021-22 certified assessment roll.
3. GSG will not conduct an analysis of the sufficiency of the data on the existing database relative to the property data contained on the ad valorem tax roll maintained by the Monroe County Property Appraiser.
4. The impervious area data associated with new additions to the ad valorem tax roll will be identified and provided by the City in electronic format and will include the parcel identification number and the amount of impervious area assigned to the new additions.
5. Any missing data will be provided by fieldwork conducted by City staff.
6. All legal documentation will be prepared by the City's attorney.

PROJECT WORK PLAN

The Scope of Services and our work plan for the project will include the following tasks:

- Task 1: Provide Base Retainer Services for Current Fiscal Year Assessment Program** Upon notice to proceed, GSG will be retained to administer the current fiscal year assessment program and maintain the assessment roll database. Such retainer services will include GSG's availability to respond to requests for information or assistance from City staff regarding all aspects of the current assessment program. In addition, GSG will prepare the critical events schedule for the upcoming fiscal year to ensure adherence to the statutory deadlines and will maintain the current fiscal year database in a manner that ensures data availability to specific requests.
- Task 2: Create Preliminary Annual Assessment Roll** GSG will import updated Property Appraiser data to construct the preliminary annual assessment roll. Corrections from the City will be applied to the updated data. GSG will then create the preliminary assessment roll by extending the rates to the affected tax parcels according to the methodology.
- Task 3: Review the Assessment Resolution(s)** GSG will review and provide feedback on the assessment resolution(s) prepared by the City Attorney.
- Task 4: Assist in Annual Notice Preparation and Mailing** If requested by the City, GSG will prepare and mail the first class notices required by section 197.3632, Florida Statutes. The charge for this task is not included in the lump sum fee, and is detailed in the following section, Fees and Costs.
- Task 5: Offer Expertise throughout Rate Adoption Process** GSG will advise and assist with fulfilling all legal requirements for the adoption of the final assessment rate resolution(s) and certification of annual assessment roll(s) in accordance with Section 197.3632, Florida Statutes.

Task 6: Certify, Export and Transmit the Final Assessment Roll in Conformance with Uniform Method Using the final assessment roll, GSG will prepare export files on compatible electronic medium capable of merger with the ad valorem tax roll files and will transmit the file to the Tax Collector in the prescribed format.

GSG covenants and agrees to use its best efforts to assist in accomplishing the City's objectives. GSG cannot provide any indemnification or guarantee relative to any challenge to the City by a third-party. GSG's commitment to the City is to share its experience and provide our best efforts providing a reasonable analysis and approach to the development of our analysis. Errors or omissions in the development of our analysis will be addressed, any remedy or cure resulting from an administrative error or omission by GSG and the direct costs related thereto shall be provided by GSG at no additional charge to the City.

FEES AND COSTS

For the professional services and specialized assistance provided by GSG, as defined in the proposed Scope of Services, we will work under a professional fee arrangement of \$11,000 annually. This annual fee includes reimbursement for all out-of-pocket expenses, except as noted below.

The professional services fee does not include any on-site visits to the City. Any requested on-site meetings by GSG staff may be arranged at our standard hourly rates provided below. All expenses related to these requested meetings will be billed in accordance with section 112.061, Florida Statutes. If necessary, in lieu of on-site visits, periodic telephone conference calls may be scheduled to discuss project status.

The standard hourly rates for GSG are as follows:

GOVERNMENT SERVICES GROUP, INC.

Senior Advisor	\$285
Vice President/Managing Director.....	\$285
Assistant Director	\$235
Project Manager/Project Coordinator.....	\$185
Database Analyst/Technical Services	\$150
Lead Project Analyst	\$100
Project Analyst.....	\$ 90
Administrative Support	\$ 75

The lump sum fee **does not include the costs of producing and mailing first class notices, if required.**

Mailing and production costs depend on the number of assessable parcels of property within the assessment program area, but average approximately \$1.44 per parcel. Payment of mailing and production costs is due at the time of adoption of the initial assessment resolution or like document. For non-domestic notices, mailing charges will include the actual amount of postage beyond the domestic rate. Should U.S. postage rates increase prior to mailing, the additional postage per notice will be charged.

The City is responsible for any costs incurred to obtain information from the property appraiser or other public officials that is necessary for the assessment program.

The City is responsible for working with the Property Appraiser to obtain the necessary information for properties with exempt "home addresses" pursuant to Section 119.071, Florida Statutes.

The City is responsible for any and all newspaper publications, including, but not limited to, making arrangements for publications and any costs associated therewith.

Please note that GSG works with the premise of developing and implementing assessment programs with an eye on potential legal challenges in an attempt to maximize both the efficiency and the effectiveness of any defense. Nonetheless, the fees outlined above for professional services do not include any provision for litigation defense. Accordingly, in the event there is a legal challenge, GSG would be available, on an hourly basis, to assist the City in its defense.
