A RESOLUTION OF THE CITY OF MARATHON, FLORIDA, IMPOSING THE ANNUAL STORMWATER UTILITY SPECIAL ASSESSMENTS FOR FISCAL YEAR COMMENCING OCTOBER 1, 2022; APPROVING THE ASSESSMENT ROLL; PROVIDING FOR COLLECTION OF THE ASSESSMENTS; AND PROVIDING FOR AN EFFECTIVE DATE

WHEREAS, the City Council of the City of Marathon, Florida (the “City”) enacted Article II of Chapter 24 and Article III of Chapter 34 of the Code of Ordinances, City of Marathon, Florida (the “Code”), which established a Stormwater Utility and authorize the imposition of annual Stormwater Utility Service Assessments for Stormwater Utility services, facilities or programs against certain Assessable Property within the City; and

WHEREAS, the imposition of a Stormwater Utility Service Assessment for stormwater collection and treatment services, facilities and programs is an equitable and efficient method of allocating and apportioning Stormwater Costs among parcels of Assessable Property located in the City; and

WHEREAS, a Stormwater Utility Service Assessment was initially imposed upon all property within the City commencing October 1, 2005, which rate was established by Resolution 2005-107 (the “Initial Assessment Resolution”); and

WHEREAS, this Resolution shall serve as the Annual Assessment Resolution for Fiscal Year 2016-2017, and the Assessable Property in the City will be subject to the previously established special assessment amount for the Stormwater Utility; and

WHEREAS, as required by the Code the Assessment Roll has been filed with the office of the City Manager, and a notice of public hearing has been published; the proof of publication being attached hereto as Exhibit “A.”

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF MARATHON, FLORIDA, AS FOLLOWS:

Section 1. This Resolution is adopted pursuant to the Code, Sections 166.021 and 166.041, *Florida Statutes*, and other applicable provisions of law.

Section 2. This Resolution is the Annual Assessment Resolution as defined in the Code. All capitalized terms in this Resolution shall have the meanings defined in the Code, and the Initial Assessment Resolution.

Section 3. (A) It is hereby ascertained and declared that each parcel of the Assessed Property within the City will be specially benefited by the City's provision of stormwater utility services in an amount not less than the Stormwater Utility Service Assessment for such parcel, computed in the same manner set forth in the Initial Assessment Resolution. Adoption of this Annual Rate Resolution constitutes a legislative determination that all parcels assessed derive a special benefit in a manner consistent with the legislative declarations, determinations and findings as set forth in the Code and the Initial Assessment Resolution from the City's stormwater utility and a legislative determination that the Stormwater Utility Service Assessments are fairly and reasonably apportioned among the properties that receive the special benefit as set forth in the Initial Rate Resolution.

(B) The method for computing and apportioning the Stormwater Utility Service Assessments described in the Initial Assessment Resolution is hereby approved.

(C) For Fiscal Year 2022-2023 the Stormwater Cost shall be allocated among all parcels of Assessed Property, based upon each parcel's classification as Non-Residential, Residential, and Unimproved Property and the number of ERUs for such properties. A rate of assessment equal to one hundred-twenty dollars (\$120.00) for each ERU for Stormwater collection and disposal services is hereby approved.

(D) The Stormwater Utility Service Assessment Rate of one hundred-twenty dollars (\$120.00) per ERU is hereby established to fund the specified Stormwater Cost determined to be assessed in Fiscal Year 2022-2023.

Section 4. The Stormwater Assessment Roll currently on file in the office of the City Manager and incorporated herein by reference is hereby approved.

Section 5. (A) The Stormwater Utility Service Assessments shall constitute a lien against assessed property equal in rank and dignity with the liens of all state, counties, district or municipal taxes and other non-ad valorem assessments. Except as otherwise provided by law, such lien shall be superior in dignity to all other liens, titles and claims, until paid. The lien shall be deemed perfected upon adoption by the Council of the Annual Assessment Resolution and shall attach to the property included on the Assessment Roll as of the prior January 1, the lien date for ad valorem taxes.

(B) As to any Property that is acquired by a public entity through condemnation, negotiated sale or otherwise prior to adoption of the next Annual Assessment Resolution, the Adjusted Prepayment Amount shall constitute a lien against assessed property equal in rank and dignity with the liens of all state, county, district or municipal taxes and other non-ad valorem assessments. Except as otherwise provided by law, such lien shall be superior in dignity to all other liens, titles and claims, until paid. The lien shall be deemed perfected upon adoption by the Council of the Annual Assessment Resolution and shall attach to the property included on the Assessment Roll upon adoption of the Annual Assessment Resolution.

Section 6. The Assessments shall be collected pursuant to the Uniform Assessment Collection Act; provided however, that any Assessment against Government Property shall be collected pursuant to Section 24-134 of the Code. Upon adoption of the Annual Assessment Resolution for each Fiscal Year, the City Manager shall cause the certification and delivery of

the Assessment Roll to the Tax Collector by September 15, in the manner prescribed by the Uniform Assessment Collection Act.

Section 7. If any clause, section, or provision of this Resolution shall be declared unconstitutional or invalid for any reason or cause, the remaining portion of said Resolution shall be in full force and effect and be valid as if such invalid portion thereof had not been incorporated herein.

Section 8. This resolution shall take effect immediately upon its adoption.

"Inventory is the biggest factor."

For a while there was no or very little inventory, but that is coming back, according to Derek Epperly, president of the Key West Realtors Association.

Last year, the average number of days a home was on the market was 79; this year it is 43, said Epperly.

Last year, the list average price in Key West was \$1.3 million and this year it is \$1.6 million; the sale average was \$1.1 million last year and \$1.3 million this

year, Epperly said.

"I think the market will normalize, which is still a good market locally, but we won't continue to see the 54% rising home values we've seen in the last couple years," Epperly said.

Keys-wide, sale prices increased from an average of \$935,000 last year to \$1.1 million this year, Langley said.

While the increases are good for local government agencies preparing their budgets and for sellers, it is another sign of how unaffordable the Keys have become for workers and their families.

The Assessments were originally imposed in 2008, 2009, and 2011 to fund construction of wastewater collection and treatment facilities. The assessment for each parcel of property is based, in part, on the number of equivalent dwelling units attributable to such parcel, and, in part, on the number of corrections attributable to such parcel. Unless prepaid, the annual assessment will include your share of the principal, interest and collection cost. The maximum annual assessment is estimated to be \$415 per EDU and \$83 per connection for Service Areas 1, 3, 4, 5, 6 & 7, and Little Venice is levied at \$308.82 per connection. A more specific description is set forth in the Initial Assessment Resolution adopted by the City Council on June 24, 2008 and June 9, 2009. Copies of the Initial Assessment Resolution, the plans and specifications for the wastewater collection and treatment facilities, and the preliminary Assessment Roll are available for inspection at the offices of the City Manager, located at 9805 Overseas Highway, Marathon, Florida.

The assessments will be collected on the ad valorem tax bill, as authorized by Section 197.3632, Florida Statutes. Failure to pay the assessments will cause a tax certificate to be issued against the property which may result in a loss of title. The City Council intends to collect the assessments in not to exceed twenty (20) annual assessments, the first of which was included on the ad valorem tax bill mailed in November 2009. Future annual assessments may be prepaid at the option of the property owner.
