# NOTICE OF HEARING TO IMPOSE AND PROVIDE FOR COLLECTION OF SPECIAL ASSESSMENTS FOR SERVICE AREAS 1, 3, 4, 5, 6 AND 7 (Including the Supplemental Assessment Program)

Notice is hereby given that the City of Marathon, Florida, will conduct a public hearing to receive public comment on the existing wastewater assessments against certain parcels of property located in the City and approve the special assessment roll for service areas 1, 3, 4, 5, 6, and 7 (including the Supplemental Assessment Program). The hearing will be held at 5:30 p.m., or as soon thereafter as the matter can be heard, on August 8, 2023 at the City of Marathon Council Chambers, 9805 Overseas Highway, Marathon, Florida for the purpose of receiving public comment on the assessments and their collection on the tax bill. In accordance with the Americans with Disabilities Act, if you are a person with a disability who needs any accommodation in order to participate in this proceeding, you are entitled, at no cost to you, to the provision of certain assistance. Please contact the City at (305) 289-4130, at least five days prior to the public hearing. All affected property owners have a right to appear at the hearing and to file written objections with the City within 20 days of this notice. If a person wishes to appeal any decision made by the City Council with respect to any matter considered at the hearing, such person will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made.

The Assessments were originally imposed in 2008, 2009, and 2011 to fund construction of wastewater collection and treatment facilities. The assessment for each parcel of property is based, in part, on the number of equivalent dwelling units attributable to such parcel, and, in part, on the number of connections attributable to such parcel. Unless prepaid, the annual assessment will include your share of the principal, interest and collection cost. The maximum annual assessment is estimated to be \$415 per EDU and \$93 per Connection for Service Areas 1, 3, 4, 5, 6 & 7. A more specific description is set forth in the Initial Assessment Resolution adopted by the City Council on June 24, 2008 and June 9, 2009. Copies of the Initial Assessment Resolution, the plans and specifications for the wastewater collection and treatment facilities, and the preliminary Assessment Roll are available for inspection at the offices of the City Manager, located at 9805 Overseas Highway, Marathon, Florida.

The assessments will be collected on the ad valorem tax bill, as authorized by Section 197.3632, Florida Statutes. Failure to pay the assessments will cause a tax certificate to be issued against the property which may result in a loss of title. The City Council intends to collect the assessments in not to exceed twenty (20) annual assessments, the first of which was included on the ad valorem tax bill mailed in November 2009. Future annual assessments may be prepaid at the option of the property owner.

If you have any questions, please contact the Wastewater Utility at (305) 289-5005.
