(5) RECORD KEEPING

(a) All original records pertinent to this Agreement shall be retained by the Recipient for three years following the date of termination of this Agreement or of submission of the final close-out report, whichever is later, with the following exceptions:

1. If any litigation, claim or audit is started before the expiration of the three year period and extends beyond the three year period, the records will be maintained until all litigation, claims or audit findings involving the records have been resolved.
2. Records for the disposition of non-expendable personal property valued at \$5,000 or more at the time of acquisition shall be retained for three years after final disposition.
3. Records relating to real property acquisition shall be retained for three years after closing of title.

Nothing herein is intended to serve as a waiver of sovereign immunity by any Recipient to which sovereign immunity applies. Nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(8) DEFAULT; REMEDIES; TERMINATION.

(a) If the necessary funds are not available to fund this agreement as a result of action by Congress, the state Legislature, the Office of the Comptroller or the Office of Management and

Budgeting, or if any of the following events occur ("Events of Default"), all obligations on the part of the Department to make any further payment of funds hereunder shall, if the Department so elects, terminate and the Department may, at its option, exercise any of its remedies set forth herein, but the Department may make any payments or parts of payments after the happening of any Events of Default without thereby waiving the right to exercise such remedies, and without becoming liable to make any further payment:

1. If any warranty or representation made by the Recipient in this Agreement or any previous Agreement with the Department shall at any time be false or misleading in any respect, or if the Recipient shall fail to keep, observe or perform any of the terms or covenants contained in this Agreement or any previous agreement with the Department and has not cured such in timely fashion, or is unable or unwilling to meet its obligations thereunder;

2. If any material adverse change shall occur in the financial condition of the Recipient at any time during the term of this Agreement from the financial condition revealed in any reports filed or to be filed with the Department, and the Recipient fails to cure said material adverse change within thirty (30) days from the time the date written notice is sent by the Department.

3. If any reports required by this Agreement have not been submitted to the Department or have been submitted with incorrect, incomplete or insufficient information;

4. If the Recipient has failed to perform and complete in timely fashion any of the services required under the Scope of Work and Schedule of Deliverables attached hereto as Attachment A.

(b) Upon the happening of an Event of Default, then the Department may, at its option, upon written notice to the Recipient and upon the Recipient's failure to timely cure, exercise any one or more of the following remedies, either concurrently or consecutively, and the pursuit of any one of the following remedies shall not preclude the Department from pursuing any other remedies contained herein or otherwise provided at law or in equity:

1. Terminate this Agreement, provided that the Recipient is given at least thirty (30) days prior written notice of such termination. The notice shall be effective when placed in the United States mail, first class mail, postage prepaid, by registered or certified mail-return receipt requested, to the address set forth in paragraph (10) herein;

Cause shall include, but not be limited to, misuse of funds; fraud; lack of compliance with applicable rules, laws and regulations; failure to perform in a timely manner; and refusal by the Recipient to permit public access to any document, paper, letter, or other material subject to disclosure under Chapter 119, Fla. Stat., as amended.

(d) Suspension or termination constitutes final agency action under Chapter 120, Fla. Stat., as amended. Notification of suspension or termination shall include notice of administrative hearing rights and time frames.

(e) The Recipient shall return funds to the Department if found in non-compliance with laws, rules, regulations governing the use of the funds or this Agreement.

(f) This Agreement may be terminated by the written mutual consent of the parties.

(g) Notwithstanding the above, the Recipient shall not be relieved of liability to the Department by virtue of any breach of Agreement by the Recipient. The lack of accuracy thereof or any material changes shall, at the option of the Department and with thirty (30) days written notice to the Recipient, cause the termination of this Agreement and the release of the Department from all its obligations to the Recipient.

If any provision hereof is in conflict with any applicable statute or rule, or is otherwise unenforceable, then such provision shall be deemed null and void to the extent of such conflict, and shall be deemed severable, but shall not invalidate any other provision of this Agreement.

(11) AUDIT REQUIREMENTS.

(a) The Recipient agrees to maintain financial procedures and support documents, in accordance with generally accepted accounting principles, to account for the receipt and expenditure of funds under this Agreement.

(b) These records shall be available at all reasonable times for inspection, review, or audit by state personnel and other personnel duly authorized by the Department. "Reasonable" shall be construed according to circumstances, but ordinarily shall mean normal business hours of 8:00 a.m. to 5:00 p.m., local time, Monday through Friday.

(c) The Recipient shall also provide the Department with the records, reports or financial statements upon request for the purposes of auditing and monitoring the funds awarded under this Agreement.

(d) In the event that the Recipient expends a total amount of State awards (i.e., State financial assistance provided to recipient to carry out a State project) from all state sources equal to or in excess of \$300,000 in any fiscal year of such Recipient, the Recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 216.3491, Florida Statutes; applicable rules of the Executive Office of the Governor and the Comptroller, and Chapter 10.600, Rules of the Auditor General.

In determining the State awards expended in its fiscal year, the Recipient shall consider all sources of State awards, including State funds received from the Department, except that State awards received by a nonstate entity for Federal program matching requirements shall be excluded from

consideration. The funding for this Agreement was received by the Department as a Grant and Aid appropriation.

1. The annual financial audit report shall include all management letters and the Recipient's response to all findings, including corrective actions to be taken.

6. If the Recipient expends less than \$300,000 in State awards in its fiscal year, an audit conducted in accordance with the provisions of Section 216.3491, Florida Statutes, is not required. In the event that the Recipient expends less than \$300,000 in State awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of Section 216.3491, Florida Statutes, the cost of the audit must be paid from non-State funds (i.e., the cost of such an audit must be paid from recipient funds obtained from other than State entities).

(e) In the event the audit shows that the entire funds disbursed hereunder, or any portion thereof, were not spent in accordance with the conditions of this Agreement, the Recipient shall be held liable for reimbursement to the Department of all funds not spent in accordance with these applicable regulations and Agreement provisions within thirty (30) days after the Department has notified the Recipient of such non-compliance.

(f) The Recipient shall retain all financial records, supporting documents, statistical records, and any other documents pertinent to this contract for a period of three years after the date of submission of the final expenditures report. However, if litigation or an audit has been initiated prior to the expiration of the three-year period, the records shall be retained until the litigation or audit findings have been resolved.

(g) The Recipient shall have all audits completed in accordance with 216.3491, Fla. Stat. by an independent certified public accountant (IPA) who shall either be a certified public accountant or a public accountant licensed under Chapter 473, Fla. Stat. The IPA shall state that the audit complied with the applicable provisions noted above.

(h) The audit is due seven (7) months after the end of the fiscal year of Recipient or by the date the audit report is issued by the state Auditor General, whichever is later.

(i) An audit performed by the State Auditor General shall be deemed to satisfy the above audit requirements.

(12) SUBCONTRACTS.

(a) If the Recipient subcontracts any or all of the work required under this Agreement, a copy of the executed subcontract must be forwarded to the Department within thirty (30) days after execution of the subcontract. The Recipient agrees to include in the subcontract that (i) the subcontractor is bound by all applicable state and federal laws and regulations, and (ii) the subcontractor shall hold the Department and Recipient harmless against all claims of whatever nature arising out of the subcontractor's performance of work under this Agreement, to the extent allowed and required by law.

(13) TERMS AND CONDITIONS.

The Agreement contains all the terms and conditions agreed upon by the parties.

(14) ATTACHMENTS.

(a) All attachments to this Agreement are incorporated as if set out fully herein.

(b) In the event of any inconsistencies or conflict between the language of this Agreement and the attachments hereto, the language of such attachments shall be controlling, but only to the extent of such conflict or inconsistency.

(c) This Agreement has the following attachments:

Attachment A, Scope of Work and Schedule of Deliverables.

(b) If otherwise allowed under this Agreement, the Agreement may be renewed on a yearly basis for a period of up to two (2) years after the initial agreement or for a period no longer than the term of the original agreement, whichever period is longer, specifying the terms under which the cost

may change as determined in the invitation to bid, request for proposals, or pertinent statutes or regulations.

(d) If otherwise allowed under this Agreement, all bills for any travel expenses shall be submitted in accordance with s. 112.061, Fla. Stat.

(e) The Department of Community Affairs reserves the right to unilaterally cancel this Agreement for refusal by the Recipient to allow public access to all documents, papers, letters or other material subject to the provisions of Chapter 119, Fla. Stat., and made or received by the Recipient in conjunction with this Agreement.

(f) If the Recipient is allowed to temporarily invest any advances of funds under this Agreement, any interest income shall either be returned to the Department or be applied against the Department's obligation to pay the contract amount.

(g) The State of Florida will not intentionally award publicly-funded contracts to any contractor who knowingly employs unauthorized alien workers, constituting a violation of the employment provisions contained in 8 U.S.C. Section 1324a(e) [Section 274A(e) of the Immigration and Nationality Act ("INA")]. The Department shall consider the employment by any contractor of unauthorized aliens a violation of Section 274A(e) of the INA. Such violation by the Recipient of the employment provisions contained in Section 274A(e) of the INA shall be grounds for unilateral cancellation of this Agreement by the Department.

(17) STATE LOBBYING PROHIBITION.

No funds or other resources received from the Department in connection with this Agreement may be used directly or indirectly to influence legislation or any other official action by the Florida Legislature or any state agency.

(18) LEGAL AUTHORIZATION.

ATTACHMENT A
Scope of Work

Wastewater System Request for Proposals

1. The Recipient shall develop a design/build/operate Request for Proposals (RFP) for a centralized wastewater management system to serve the entire City of Marathon. The wastewater management system desired shall incorporate the facilities being provided for the Little Venice neighborhood under EPA Grant C12060204. The RFP shall establish a two step process for establishing the order of preference for contract award. Respondents' qualifications, technical concepts (including those for reuse of reclaimed water) for the proposed project, bonding and insurance shall be evaluated in the first step. The second step shall be the evaluation of proposals for maximum costs for the design/build work and for the operation of the system over a specific period (e.g., 20 years). The procedures for responding to the RFP and for evaluating the responses shall be specified. The preliminary budget for project shall be identified. Sufficient engineering work shall be reflected in the RFP to enable the identification of project technology to be considered and the identification of the sites necessary for location of major transmission and treatment facilities. Issues of the availability and suitability (location, environmental soundness, public participation, zoning, access, subsurface conditions) of project sites, including those involving private property, for construction, operation, and maintenance for the useful life of the facilities shall be resolved. The Recipient's sewer use ordinance(s) governing wastewater management services and requiring mandatory hookup or connection of all on-site treatment and disposal systems and all other sewage treatment facilities to the centralized wastewater management system shall be explained in the RFP. The negotiation and contract award procedures shall be described. The contemplated design/build and operating contracts to be awarded shall be part of the RFP.
2. The Recipient shall submit, or cause to have submitted to the Department, the deliverables as outlined under 3 below. The Department shall have thirty (30) days to review and accept reports or return the report to the City for correction.
3. The Department shall pay a total amount not to exceed \$132,000 in accordance with schedule of deliverables and disbursements as specified below:
 - a) The Recipient shall submit, by no later than six weeks after contract award by the Department, a draft RFP. Upon approval of the draft, the Department shall pay the Recipient \$22,000.
 - b) The Recipient shall submit a progress and status report that certifies and outlines that 50% completion, with graphic and text, of the task by no later than four months after the contract award by the Department. Upon approval of the report, the Department shall pay the Recipient \$42,000.
 - c) Ten copies of the final version of the RFP shall be submitted to the Department no later than seven months after contract award by the Department. Upon approval, the Department shall pay the Recipient \$58,000.

- d) A list of potential respondents to the RFP shall be prepared prior to issuance of the RFP.
- e) The RFP shall be sent to the potential respondents no later than 60 days after approval of the RFP by the Department. Upon completion of the distribution, the Department shall pay the Recipient \$10,000.

Water Reuse Study

1. The Recipient shall prepare a Reclaimed Water Reuse Study in conjunction with the Request for Proposals for the Wastewater System for the City of Marathon. The Study shall identify at least three different viable reuse options having varying reuse capacities. The study area shall be the entire City of Marathon. Except for the basic treatment plant and its operation, all capital costs (including incremental treatment and storage costs associated with reuse) as well as operation and maintenance costs shall be identified for each options. Reuse locations and application rates (and quantities) shall be identified and shall be consist with local soil and vegetation uptake limitations (nutrient and water balances shall be performed). Evidence of property owner agreements to accept the reclaimed water proposed under each option shall be provided. Information developed in the Study shall be included in the RFP.
2. The Recipient shall submit, or cause to have submitted to the Department, the deliverables as outlined below to the Department. The Department shall have thirty (30) days to review and accept reports or return the report to the City for correction.
 - a) The Recipient shall submit, no later than four weeks after the Department's contract award, a Scope of Work for services to be performed.
 - b) The Recipient shall submit ten copies of the final Reclaimed Water Reuse Study no later than five months after the Department's contract award. The Department shall pay the Recipient \$40,000 to complete the Reclaimed Water Reuse Study. Once the study is approved by the Department the payment will be made to the Recipient.

Financial Plan Model

1. The Recipient shall prepare a Financial Plan Model addressing rates, hookup fees, and all other charges for providing wastewater management services within the Marathon service area in conjunction with the Request for Proposals (RFP) for the Wastewater System for the City of Marathon. Information on customer base, location, and level of service shall be presented in the RFP. The distribution of grants, including sources of funding and disbursement of those funds, under any existing program for which appropriations or other funding is available at the time that the final report is due shall be addressed in the Model. This work shall be undertaken before the maximum costs for providing such services are identified via the RFP process. Therefore, the Model shall be developed such that actual project costs (capital and annual operation/maintenance) and reductions thereto resulting from grant-in-aid can be input as variables. Other variables include the capital (including financing), operation, and maintenance costs for the Little Venice facilities to be built under EPA Grant C1206020 and analogous costs for the greater Marathon facilities for which the RFP is being prepared. The Model shall identify incremental costs to be incurred for the Little Venice neighborhood resulting from consolidation of the project to be built under EPA Grant C1206020 with the greater Marathon facilities contemplated by the design/build/operate RFP.
2. The Recipient shall submit, or cause to have submitted to the Department, the deliverables as outlined below. The Department shall pay a total amount not to exceed \$42,000 in accordance with the schedule and disbursements as specified below. The Department shall have thirty (30) days to review and accept reports or return the report to the City for correction.
 - a) The Recipient shall submit, no later than four weeks after the Department's contract award, a Scope of Work for services to be performed. Upon approval of the Scope of Work, the Department shall pay the Recipient \$12,000.
 - b) The Recipient shall submit a progress and status report that certifies and outlines that 50% completion, with graphics and text, of the task by no later than two and one half months after the contract award by the Department. Upon approval of the report, the Department shall pay the Recipient \$10,000.
 - c) The Recipient shall submit ten copies of the final report on the Financial Plan Model no later than five months after the Department's contract award. The Department shall pay the Recipient \$20,000 to complete the Financial Plan Model.

Little Venice Supplemental Cesspit Abandonment Funds

1. The Recipient shall use the Financial Plan Model results to allocate subsidies associated with cesspit abandonment in the Little Venice neighborhood. The schedule (distribution plan) for such subsidies is subject to approval by the Department.
2. The Department shall pay to the Recipient \$55,288 as specified below:
 - a) The Recipient shall submit, no later than five months after the Department's contract award, a report identifying a draft schedule outlining the costs per resident and the distribution to such residents of all supplemental funds, including those to be made available under this agreement, to be based upon income level or residential property value. The residential costs shall be identified for the Little Venice neighborhood.
 - b) If the Department approves the schedule and its estimated costs, the Department shall disburse to the Recipient the sum of \$55,288 to be deposited by the Recipient into an escrow account with the Florida Keys Aqueduct Authority as escrow agent. The Department and the Recipient shall enter into an escrow agreement with the escrow agent which provides that said funds and investment earnings thereon shall only be used for the crediting of Little Venice neighborhood residential accounts for hookup or connection charges at such time as hookup fees or connection charges are to be collected for centralized wastewater system service. The payment will be made no later than November 15, 2001. All such funds and investment earnings shall be returned to the Department if centralized wastewater system service is not available to the Little Venice neighborhood by July 12, 2003.
 - c) The Recipient shall submit to the Department five copies of a semiannual progress report for each year during which any funds available under this agreement have not been credited to the hookup or connection charge accounts of the Little Venice neighborhood residents. Reports shall be due on November 30 and May 31 of each year beginning on November 30, 2001, and ending on December 31, 2003.
